

INFORMATION ABOUT THE
GREATER FORT KENT
CHAMBER OF COMMERCE
ADOPT-A-POT PROGRAM

The weather is finally beginning to warm, and it's time to beautify West Main Street with hanging flower baskets.

- ◆ The intent of the Adopt-A-Pot Program is to energize citizen participation in the beautification of our lovely community.
- ◆ Baskets can be purchased by a business/organization or individual.
- ◆ Once you sponsor a hanging flower basket, your "adopted pot" will be nurtured throughout the flowering season.
- ◆ Cost of a sponsored hanging flower basket is \$40.
- ◆ You can sponsor a basket in memory of a loved one or because you care about your community and how it looks. If you decide to sponsor a basket in memory of a loved one, an announcement will be sent to the family informing them of the sponsorship.
- ◆ Because of their popularity, the hanging baskets are sold on a first-come, first-served basis.
- ◆ Deadline for 2017 sponsorship is Friday, May 15, 2017.
- ◆ You will be publically acknowledged for your donation. Thank you.

A special thank you goes out to the **Fort Kent Public**

Works Department for caring for the hanging flower baskets throughout the flowering season. We also wish to thank **Corriveau Hilltop Blossoms** for preparing these beautiful baskets.
