

Sequoyah Volleyball

2017 Season Information for Junior Chief Teams

Junior Chief Teams are for players in 6-8th Grade.

Physicals: Before you come to any activity (spring, summer, or tryouts), you must have a current physical on the school form completed or on file. There are no exceptions.

Tryouts (mandatory)

Junior Chief Team Tryouts will be August 3rd (4:30-6:30p), 4th (4:30-6:30p), and 5th (9a-12n) at Sequoyah. These days are mandatory, so please plan accordingly. Please have your physical turned into Coach Edwards before the first day of tryouts. If something is not completed on your physical, you will not be able to tryout.

Summer activities / Camps (voluntary)

The calendar for all summer activities will be available on our website. There are two opportunities to attend Junior Chief Camps (June 5-8 and July 17-19). There will also be clinics on various days. Contact Coach Edwards for details.

Season information

Once the season starts (August 3rd), everything is mandatory from that point forward. Please make sure you do not have any conflicts; it is important to me (and it should be to you as well) that everyone is at every practice, match, or team activity. If there are conflicts, these need to be communicated to Coach Edwards in advance...before tryouts. Some conflicts might be able to be worked around, and some may not. The season runs until the first weekend of October. The season schedule will be posted in April, but you can plan on two days of practices and 1-2 days of playing throughout the season, with several Saturday matches as well.

If you have any questions, feel free to contact Coach Edwards at john.edwards@cherokee.k12.ga.us or visit the website at www.sequoyahvolleyball.com .
