A TRIBUTE TO A MAN OF GOD

Pastor Charles Littlefield

Growing up I had the wonderful experience of hearing stories of great men and women that believed in God, lived for Jesus, lived lives of honor, integrity, family and destiny. They not only changed lives, changed the people around them, but they also changed history. Never did I think or realize that I would have the ability to work with such a person as a part of a ministry team. The Blessing that I encountered was the honor of working with Pastor Charles and Pat Littlefield. Brother Charles Littlefield served on the Board of Directors of Alabama Prison Ministries Inc. as President, Vice President, and Member at large. He was the type of Christian Brother that was always ready to pray and give an encouraging word to the inmates and to the members of the team. He gave everything he could in every way and to everybody that he could.

Pastor Charles Littlefield was a Christian Soldier who carried a Spiritual Sword in his heart like a Christian Knight carried his physical Sword into battle. He obeyed the words of the prophet and ate the words of the scroll so that the sword of the Spirit would come out of his mouth to minister to others. He mediated upon that Sword day and night. With his Sword of the Spirit he proclaimed the Gospel of Grace in order to set the captive free. He used the Sword of the Spirit to train himself to a greater degree of knowledge and in its anointing and use. Pastor Charles Littlefield was a God pleaser not a man pleaser. He lived a Holy Life. He prayed for the Kingdom of God and taught the Kingdom of God as the Lord lead him to. It was his imperative to bear fruit for his King and his Kingdom.

With his sword of the Spirit, he defended the poor, the weak, the helpless, and the orphan. He used His Sword of the Spirit, to vanquish the enemies of the King: sin, flesh, and the Devil. Brother Charles Littlefield reached out to the prisoner. He dedicated himself to be a soldier in both home and foreign missions. He endeavored to do all of this in a regimented life of prayer, fasting and study of the Word of God. He determined that he would live the Christian Live, receive and remained baptized in the Holy Spirit. He determined that he would live a life of praise and worship. He made the decision that he would live for the glory of the lord.

He was a faithful husband to his wife and a faithful father to his children and a faithful pastor to his people.
My final words are these in memory of this tremendous soldier that has gone home.
For God, For Jesus Christ, For the Holy Spirit.

May God Bless All of you.
