Post office and Mailbox Keys

Post Office (Mail House)

Residents need a key to access to the post office and a separate key to access individual post office boxes. These keys should be passed on to the new unit owner when you sell your unit.

If a new post office key is needed, you may obtain one at the office for a fee of \$5.00.

Mailboxes

If an individual mailbox key is needed, residents must contact a private locksmith as the Association does not maintain individual post office box keys. Please note: the USPS Post Office does not replace mailbox locks.
