

SUMMER CAMP FAQ

IN THE DORMS

Where are the campers housed?

Campers are housed in the Campus Dormitories. Specific locations will be known closer to the camp dates.

What is the layout of the dorms?

There are two separate restrooms located on either end of the floor. These facilities are open for camper use at any time we are in the dorms. The dorms also contain a lounge area where dorm activities will be held with a TV that the campers may use during their free time.

How many roommates can my daughter have?

We guarantee TWO campers per room and we suggest that you plan for such. We have a VERY LIMITED amount of triple occupancy rooms available. These will be decided once more information is received from campus housing, much closer to the camp date.

How are counselors assigned in the dorms?

Counselors will be placed evenly throughout the two floors that the campers are located on. We generally have about eight to ten counselors per floor, including an athletic trainer.

What time will the overnight campers be waking up and going to bed?

Campers must be in their rooms with their doors closed at 10:00 pm each night. The counselors will discuss meeting times for breakfast individually with their groups so each camper can plan accordingly. Prior to leaving for breakfast, the counselors will knock on each door to make sure all campers are awake.

What sort of activities will be done in the dorms?

Each night will have a designated activity for the girls to participate in if they so choose. Years past have consisted of dorm door decorating, nail painting, hair and make-up and movie night with popcorn.

Will there be snacks available in the dorms?

There will be a “dorm store” located in one of the counselors rooms. There will be various snacks available for purchase consisting of candy, chips, waters etc. Campers will also have the option to purchase pizza each night in the dorms, so leave cash for them if this is something they will be interested in!

How will my daughter get in and out of the dorm?

Upon check in, each camper will receive a meal card, which gives them swipe access to the dorms and dining hall as well as a key, which allows them to lock and unlock their dorm room. Each camper will be held responsible for their own swipe card and key and will be charged if lost!

Is there Wifi in the dorm rooms?

There is wifi all over campus. Campers will need a login and password to sign onto the internet. The camper can ask her counselor to log her into the wifi.

Can parents visit campers in the dorms?

Parents are NOT allowed to enter the dorm floor to see their children due to liability reasons. If parents need to see their daughter for any reason, a counselor must be notified and that counselor can bring the camper to the lobby to meet their parent.

IN THE GYM

How are the campers grouped?

The campers will be placed in groups based on gymnastics level. Each camper can expect to be with at least ONE other gymnast from their gym if close in gymnastics level.

What skills will my daughter be working on?

The skills the campers work on are individualized based on each campers need. When arriving to the rotation, the camper should inform the coach at each event what skills they would like to work.

How much gymnastics will the campers take part in each day?

The campers will have eight rotations of gymnastics per day. Each rotation is about forty minutes long.
