

# 2015 Pets of the Months

## January/February ~ *Mays*

---

**Age:** 4 years old

**Breed:** Yellow Lab

**Lives With:** Andrew and Andrea Miller

**Interesting Tidbit:** He was named after the greatest baseball player of all time, Willie Mays, who played for the Giants. The team went 56 years without winning a World Series but has won 3 since Mays was born! So he definitely is a good luck charm.

Mays, who is very friendly, loves walking around Saratoga. He especially loves his daily trip to the Bark Park!

## March/April ~ *Bentley*

**Age:** 1 1/2 years old

**Breed:** Golden Doodle

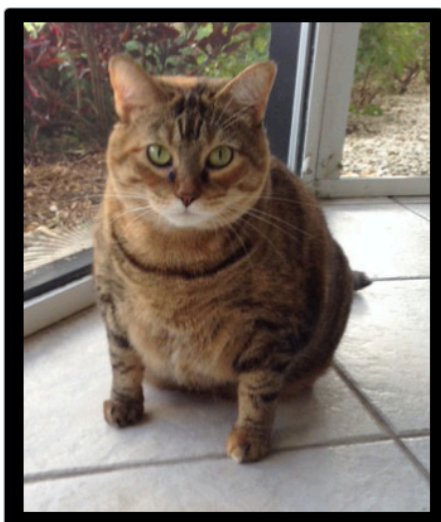

**Lives With:** Jim and Diana Van Etten

**Interesting Tidbit:** Bentley is a big kid at heart, loving to play with the grandchildren and sometimes chewing their toys. His favorite are balls and squeaky toys. Bentley removes the heart of squeaky toys, but leaves the squeaky balls intact for when he feels he's not getting enough attention. This "attention hound" has brought so much joy and love to the Van Ettens.

---

## May/June ~ *Lucy*

**Weight:** 19.2 lbs

**Breed:** Tabby

**Lives With:** Vibeke & John Ames

**Her Story:** My name is Lucy, all 19.2 pounds of me. I spend the day eating my food and my sister's food (if I can get away with it). I also love stone crabs and living in Saratoga where I can sit outside on the Lanai and watch the birds.

**Interesting Tidbit:** She was one of 23 cats and 14 dogs that the Humane Society of Naples rescued from a shelter in Alabama that was going to euthanize all their animals due to monetary problems.

---

## July/August ~ Logan

**Age:** 9 1/2 years old

**Breed:** West Highland Terrier

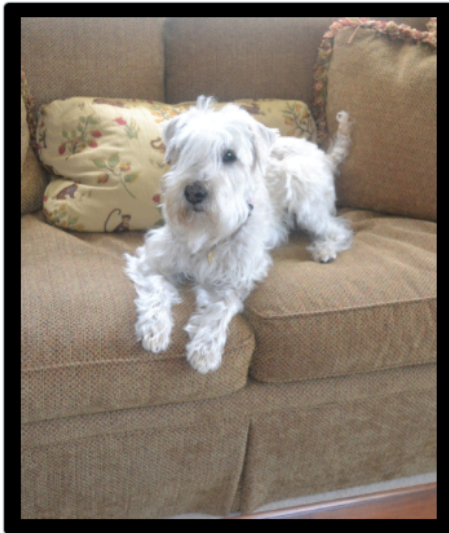

**Lives With:** Marianne and Rick Galeazzi

**Interesting Tidbit:** Logan loves people and greets everyone with his ball because he wants to play. He loves to have someone throw his ball and will chase it all over the house. He has a wonderful personality, but is a definite loner when it comes to other dogs. Also, he is a real home body. Logan loves to go for a ride in the car but unlike most does, he hates to go for a walk!

## September/October - Favorite (Favey)

**Age:** 11 years old

**Breed:** Soft-Coated Wheaten Terrier

**Lives With:** Carol and Bill Penney (and brother, Billy Black)

**Her Story:** Favey came to live with the Penneys at age 5. She was a breeder's dog and had two litters (a total of 17 pups). The breeder wanted her to have a real family so Favey made the trip from Arizona to Pennsylvania where the Penneys lived.

**Interesting Tidbit:** She loves to "watch" and sometimes barks while resting on her "favorite" ottoman on the lanai. Also likes playing with (or more accurately enduring) Billy. When she lived in Pennsylvania, she helped Billy chase rabbits, squirrels and Doris the Deer.

## November/December ~ Mr. George

**Age:** Will be 5 years old in January

**Breed:** Yorkie

**Lives With:** Dorothy Walton

**Interesting Tidbit:** Loves to greet his friends when they come to his door. Playing with his toys are also at the top of his list, as is eating.

One of his favorite treats is Waggin Trail Chicken Jerky Tenders.

He enjoys taking his toys out of his toy box, making sure they are in various parts of his condo. ;-D
