NOTES FROM THE EDITOR

Good Evening!

Tomorrow morning, Templeton's Firefighters will be leading the Annual Memorial Stairclimb at Templeton High School Eagle Volunteer Stadium in remembrance of all those – civilians and first responders – who lost their lives on 9/11 (September 11, 2001). Those participating will be climbing the stadium stairs in full gear – an equivalent number of steps/floors (2,598 steps/110 floors) that it would have taken to reach the top of the Twin Towers. Some of the PE classes at THS and possibly TMS will join the Firefighters for part of the climb. For more information, please see this week's Calendar Edition.

Don't forget that this weekend is Castoro's most excellent Whale Rock Music & Arts Festival and there may still be time to purchase tickets. For a line-up of all the different bands, the numerous activities for all ages – including children – and much more, please visit www.whalerockmusicandartsfestival.com. This labor of love by the Udsen family will also benefit music programs at Templeton High School.

NOTES

FOUNDERS DAY CANCELLED – Due to the road work on Main Street, Founders Day – originally scheduled for October 27th – has been cancelled this year. It will be back in 2019.

A GREAT BIG THANK YOU! The folks from the Templeton Community Library Association would like to thank everyone involved with their **Massive Book Bonanza!** With the minor exception of those books that were too damaged to be of use – the thousands of books gifted to the Library by a local family have all found new homes.

FRIDAY IS THE DEADLINE FOR FFA BBQ TICKETS – The last day to purchase tickets for the Fall Templeton FFA Drive Thru BBQ is this Friday (Sept 14). Please see the event spot in the left column on page 2 of this week's Calendar for more information.

QUESTION

SCHOOL BOARD CANDIDATES FORUM – Does anyone know if a Candidate's Forum has been set up for the school board race? And if so, who do I contact for more information?

WEATHER & AIR QUALITY

TEMPERATURES NORMAL FOR THIS TIME OF YEAR (SEP 10) – The current forecast shows temperatures edging down a few degrees as we head into the weekend. If the forecast holds, we'll have GREAT weather for the Whale Rock Music & Arts Festival this weekend.
