Dear Community Partner:

For over 50 years, Banyan Elementary School in Newbury Park has inspired thousands of young children to achieve academically, develop social responsibility and make lifelong connections and memories.

The Banyan Parent Teacher Association (PTA) is a volunteer group of parents, teachers, staff members and community supporters that partner to support a thriving academic environment and provide enrichment programs for all Banyan students. Together, we work to secure the financial support for enrichment programs including: art, music, and physical education, as well as provide teachers with much needed classroom supplies.

We hope your organization will consider providing a donation for our upcoming Spring Silent/Online Auction. All items are welcomed: gift certificates/ cards for local services, classes, shows, merchandise, services, tickets, restaurants, amusement parks, etc. Your donation will directly support the programs that help enrich the educational experience of our students while lightening the burden placed on parents and school faculty.
