

About Us

Alpha 2 Omega Travel is a Christian Agency located in Southern California. We work closely with our Christian tour operators in the Middle East, and provide group tours for all denominations, and for any size group.

In the business world, most companies are out to make money, without ever considering how they impact their clients. We have made it a point to operate our business with honesty, reliability, and care for those who travel with us. Our tours are filled with more opportunities than the typical tour, but you will never be charged more. You will have the opportunity to experience the richness of the cultural by meeting locals, grasp the ancient history by visiting many archaeological sites, and gain a deeper understanding of the biblical lands, not by simply touring and visiting places, but by immersing yourself in the moment.

We pray daily for our tour groups, and want you to have an experience of a lifetime. Our main goal is to give personal attention, tending to each detail, so that you can truly enjoy your spiritual journey. Our professional and friendly team will always be available to answer your questions as you prepare. A tour coordinator is also available 24/7 while your group is traveling.

In order to provide you with a tour or pilgrimage that will be interesting as well as spiritual; we use guides whom are well-educated about the culture and history of the Holy Land. Our guides are extremely passionate about their tours, and will help you experience the best!

We look forward to serving you as you plan your trips to the Holy Land.
