To issue an insurance policy we need to obtain information about you and any other persons proposed for insurance. Some of that information will come from you and some will come from other sources. We may obtain information relating to any proposed insured's mental and physical health, general character and reputation, habits, finances, occupation, other insurance coverage, or participation in hazardous activities.

This information may be obtained from physicians, medical professionals, hospitals, clinics or other medical care institutions, or from MIB, Inc. ("MIB"), public records, consumer reporting agencies, financial sources, other insurance companies, agents, friends, neighbors and associates. We may obtain information through exchanges or correspondence, by telephone or by personal contact.

Information regarding your insurability or claims will be treated as confidential. The Company or its reinsurers may, however, make a brief report thereon to MIB, a not-for-profit membership organization of insurance companies, which operates an information exchange on behalf of its members. If you apply to another MIB member company for life or health insurance coverage or a claim for benefits is submitted to such a company, MIB, upon request, will supply such company with the information in its file. Upon receipt of a request from you, the MIB will arrange disclosure of any information it may have in your file. If you question the accuracy of information in MIB's file, you may contact MIB and seek a correction in accordance with the procedures set forth in the federal Fair Credit Reporting Act. The address of the MIB's information office is 50 Braintree Hill, Suite 400, Braintree, Massachusetts 02184-8734; telephone number (866) 692-6901 (TTY 866-346-3642); website address www.mib.com. The Company or its reinsurers may also release information in its file to other life insurance companies to whom you may apply for life or health insurance, or to whom a claim for benefits may be submitted.

Furthermore, as part of our procedure for processing your insurance application, an investigative consumer report may be prepared whereby information is obtained through personal interviews with your neighbors, friends, associates, or others with whom you are acquainted.

This inquiry and any subsequent investigative consumer report update which may also be requested includes information as to your character, general reputation, personal characteristics, and mode of living.

You have the right to be personally interviewed if we order an investigative consumer report. Please notify our agent if this is your wish. You are also entitled to receive a copy of the investigative consumer report whether or not an interview is conducted. You also have the right to make a written request within a reasonable period of time to receive additional, detailed information about the nature and scope of this investigation.

To reduce costs and offer insurance coverage at the lowest possible premium, the Company may also use a Personal History Interview. A specially trained interviewer may call to discuss information contained in your application or to ask questions related to the underwriting of your insurance. We will attempt to conduct this telephone interview at your convenience and at a number you designate.

In the event of an adverse underwriting decision, upon written request, we will provide you with the specific reason in writing for that adverse underwriting decision.

As a general practice, we will not disclose personal information about you to anyone else without your consent, unless a legitimate business need exists or disclosure is required or permitted by law. A description of the circumstances under which information about you might be disclosed without your authorization will be sent to you upon request.

You have a right of access to personal information we maintain in our files and to request correction, amendment, or deletion of any information you believe to be incorrect. You may request a description of established procedures which will allow access to and correction of such personal information.

HIV Antibody Test

Information Form for Insurance Applicant

AIDS

Acquired Immunodeficiency Syndrome (AIDS) is a life-threatening disorder of the immune system, caused by a virus, HIV. The virus is transmitted by sexual contact with an infected person, from an infected mother to her newborn infant, or by exposure to infected blood (as in needle sharing during intravenous drug use). Persons at high risk of contracting AIDS include males who have had sexual contact with another male, intravenous drug users, hemophiliacs, and persons who have had sexual contacts with any of these persons. AIDS does not typically develop until a person has been infected with HIV for several years. A person may remain free of symptoms for years after becoming infected. An infected person has a significant chance of developing AIDS over the next 10 years.

The HIV Antibody Test

Before you consent to testing, please read the following important information:

1. **Purpose.** This test is being run to determine whether you may have been infected with HIV. If you are infected, your options for obtaining life and health insurance may be limited. This test is not a test for AIDS; AIDS can only be diagnosed by medical evaluation.
2. **Positive Test Results.** If you test positive, you should seek medical follow-up with your personal physician because you may be infected with HIV.
3. **Accuracy.** An HIV test will be considered positive only after confirmation by a laboratory procedure that the state health officer has determined to be highly accurate. Nonetheless, the HIV antibody test is not 100% accurate. Possible errors include:
   a. **False positives:** The test gives a positive result, even though you are not infected. This happens only rarely and is more common in persons who have not engaged in high risk behavior. Retesting should be done to help confirm the validity of a positive test.
   b. **False negatives:** The test gives a negative result, even though you are infected with HIV. This happens most commonly in recently infected persons; it takes at least 4-12 weeks for a positive test result to develop after a person is infected.
4. **Possible Adverse Effects of Test.** A positive test result may cause you significant anxiety. A positive test result may limit your ability to obtain life, health, or disability insurance coverage in the future. Although prohibited by law, discrimination in housing, employment, or public accommodations may result if your test results were to become known to others. A negative result may create a false sense of security.
5. **Disclosure of Results.** A positive test result will be disclosed to you or the physician or county health department that you designate.
6. **Confidentiality.** Like all medical information, HIV test results are confidential. An insurer, insurance agent, or insurance-support organization is required to maintain the confidentiality of HIV test results. Certain disclosures of your test results may occur, however, including those authorized by consent forms that you may have signed as part of your overall application. Your test results may be provided to affiliates, reinsurers, employees and contractors of the insurer in relation to the underwriting of the insurance application. In addition, a positive result from a blood, oral specimen or urine test may be reported to MIB, Inc. ("MIB"), a national insurance data bank, as a nonspecific abnormality determined by the testing of blood, oral specimen, or urine.
7. **Prevention.** Persons who have a history of high risk behavior should change these behaviors to prevent getting or giving AIDS, regardless of whether they are tested. Specific important changes in behavior include safe sex practices (including condom use for sexual contact with someone other than a long-term monogamous partner) and not sharing needles.
8. **Information.** Further information about HIV testing and AIDS can be obtained by calling the Oregon AIDS hotline within the Portland area at 223-AIDS and outside the Portland area at 1-800-777-AIDS. Health insurance may be available through the Oregon Medical Insurance Pool for persons who are not otherwise able to obtain coverage. The telephone number for the Oregon Medical Insurance Pool is 800-542-3104 or 1-503-373-1692.

Important Notice: Replacement of Life Insurance or Annuities

Ameritas Life Insurance Corp. P.O. Box 81889, Lincoln, NE 68501 / 800-745-1112, Fax 402-467-7335

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract? ☐ Yes ☐ No
2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract? ☐ Yes ☐ No

If you answered "yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing.

	Insurer Name	Contract or Policy #	Insured or Annuitant	Replaced (R) or Financing (F)
1.				☐ R ☐ F
2.				☐ R ☐ F
3.				☐ R ☐ F

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an in-force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

The existing policy or contract is being replaced because _____

Typically a "policy illustration" is provided to help you understand, in general terms, how a policy will work. A policy illustration shows policy premiums, death benefits, cash values and information about other items that can affect the performance of your policy. Because a policy illustration for the specific policy you are applying for was not provided, we ask that both you and your agent acknowledge:

1. Either no policy illustration was used when recommendations were made by my agent or the illustration provided was different than the policy applied for, or
2. A computer screen illustration for the policy applied for was displayed but not printed, and
3. I understand an illustration reflecting the actual policy issued as a result of this application will be provided at the time of policy delivery.

IT IS UNDERSTOOD THAT: Either or both of the above arrangements may be terminated by the Policy Owner or by the Company upon written notice. If the Bank Account Holder ("Payor") is other than the Policy Owner, the Company will terminate either or both of the arrangements upon written request of such Payor. Should the Premiums cease to be paid by Electronic Payment, the Company will accept payment of quarterly, semiannual or annual premium payments at the Company's published rates in effect as of the date of the policy.

For Policies Earning Dividends: Dividends cannot be used to offset Electronic Premium Payments. If dividends are currently being used to reduce premiums, please submit a dividend change form (UN 3379 B).

I (Payor and undersigned) understand that premium payments are necessary to fund the policy. If my financial institution does not honor a withdrawal, I may be required to send the Company a replacement payment. If the Company does not receive a replacement payment within the time required, the policy may enter its grace period and then lapse. Once a policy lapses, it no longer offers life insurance coverage.

The bank shall be under no obligation to furnish me (Payor and undersigned) with any special advice or notice in writing or otherwise of the payment and charge of such checks, drafts, or orders to my account.

Declaration: By signing this form I certify that I am an authorized signature for the bank account listed above.

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

Premiums

- Are they affordable?
- Could they change?
- You're older — are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy? On the old policy?

Policy values

- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid; you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

Insurability

- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

If you are keeping the old policy as well as the new policy

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

If you are surrendering an annuity or interest sensitive life product

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

Other issues to consider for all transactions

- What are the tax consequences of buying the new policy?
- Is this a tax-free exchange? (See your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

Informed Consent

I hereby authorize the insurance company named above (the Insurer) and its designated medical facilities to collect samples of my body fluids for the purpose of laboratory testing to provide applicable medical information concerning my insurability. These tests may include but are not limited to: tests for cholesterol and related blood lipids; diabetes; liver or kidney disorders; infection by the Acquired Immune Deficiency Syndrome (HIV) virus (if permitted by law); immune disorders; or the presence of medications, drugs, nicotine or their metabolites. The tests will be done by a medically accepted procedure which is extremely reliable.

If an HIV Antibody Screen is performed, it will be performed according to the following medical protocol: an initial ELISA test; if the initial ELISA test is positive, it is repeated; if it is negative, a negative finding is reported by the laboratory to the Insurer. If the second ELISA test is positive, a Western Blot test is used to confirm the previous positive results. If the second ELISA test is negative, a third ELISA test is performed. If the third ELISA test is positive, a Western Blot test is used to confirm the previous positive tests. If the third ELISA test is negative, a negative result is reported to the Insurer. Only if at least two ELISA tests and a Western Blot test are positive, will the result be reported as positive. All other results will be reported as negative.

If the report is positive, I choose to have the results delivered as follows:

☐ Personal Physician: (Name of Physician) _____

(Address) _____

(City, State, ZIP Code)_____

☐ County Health Department of _____ County, Oregon.

☐ Directly to the proposed insured.

Without a court order or a written authorization from me, these results will be made known only to the Insurer and/or its reinsurers (if involved in the underwriting process). The Insurer will provide results of all tests to a physician of my choice. In addition, the Insurer may make a brief report to MIB in the manner described in the prenotice which I received as part of the application process.

These organizations will be the only ones maintaining this information in any type of file except as required by law.

I acknowledge receipt of a copy of the Informational Brochure on HIV Antibody Tests.

I agree this authorization is valid for six months from the date shown below.
