

SCIENCE	MUSIC		ART/DT
<p>We will be looking at different ways of keeping healthy. We will be looking at how to keep fit, look after our bodies and eat healthily. We will compare fruits and vegetables and the effects these have on our bodies.</p>	<p>We will be exploring music performed by the band 'Queen'. The song children will be learning about, listening to and performing will be 'We Will Rock You'. Children will have the opportunity to sing and perform in front of the rest of their class.</p>		<p>We are going to be looking at portraits and photographs. This will link to our Computing topic. Children will have the opportunity to take photos and draw self-portraits. Children will then use parts of these images to create a montage.</p>
ENGLISH	<p>Our story time text this half term is:</p> <p>Roald Dahl books, Fantastic Mr Fox and The Enormous Crocodile</p> 		MATHS
<p>In English pupils will be looking at explanation texts. During this we will have a focus on chocolate making. Through their new knowledge of the chocolate making process they will then write their own explanations.</p> <p>We will also have a focus on the 'Clock Tower' story located on The Literacy Shed. This will allow children to build on their descriptive writing skills as they describe the main character and setting.</p> <p>We will be focusing on weekly reading strategies to support the development of comprehension and inference skills.</p> <p>Phonics sessions will be daily, within class.</p>			<p>Our Maths lessons this half term will focus on a variety of topics. We will start by focusing on time. Children will be comparing analogue and digital clocks and extending their knowledge of telling the time to each quarter hour.</p> <p>Our next focus will be on money. Children will be comparing different amounts, adding amounts and finding change.</p> <p>Children will also be focusing on shape (both 2-D and 3-D). We will look at the properties of the shapes and we will be looking at the different 2-D shapes we can find on 3-D shapes.</p> <p>Our final focus in Maths is fractions. Children will be learning to name, write and find fractions of amounts.</p>
PSHE	RE	COMPUTING	HOMEWORK
<p>Pupils will be looking at the topic of 'Working Together'. The unit will focus on talking about self-esteem and the ability to value the children's own individuality by recognising their positive traits and achievements. This unit will also help children to begin to develop lifelong skills in communication and working with others.</p> <p>Children will also be learning about money (what it is, where it comes from and how we use it). Children will also learn how to plan and save money for later use. This topic is titled 'Financial capability'.</p>	<p>This half term we are focusing on sacred books from a variety of religions. These will include the Torah, The Bible and The Qur'an. We will be thinking about what makes a book 'holy' and why they are so special. They will consider how they are treated</p>	<p>'We are Photography!' is our focus.</p> <p>This half term we will be reviewing photos online, practise using digital cameras/cameras on Ipads and editing photos.</p>	<ul style="list-style-type: none"> <li>• Daily reading of reading book. Please write into their reading records to acknowledge how they have done.</li> <li>• Maths and English based homework books will be handed out on a Thursday to be completed and brought back by Tuesday at the latest.</li> <li>• Spellings will be sent out on a Thursday to be tested the following Thursday.</li> </ul>
