| 13. Welcome to the Jungle | 27. Trickle Trickle |
| 14. Heaven Hop | 28. Lucy & Ricky |

Dancers should arrive by 11:45am to get lined up and ready for the show!

Dancers in Spiderman need to be there at 11:30 so we can run the dances on stage a few times :)

The show will start at 12:30pm! Dancers will be wearing costumes and have hair in a bun. No need for tons of hairspray or heavy stage makeup. There will be a few tents set up to be used as dressing rooms.

Parking is very limited. There is a lot across the street in the park with \$5 parking. They will also have parking at Mickey Rats, Turtle Joe's or Connors. I'm not sure on the cost for those lots. There is also street parking on the side streets near the baseball field.

Chicken dinners are available for \$12. We have pre-sale tickets in the office. If you're interested in selling a bundle of ten tickets with proceeds going towards your dancers tuition, summer program, pictures, tickets, etc. Let me know!

We will have a huge basket raffle! We will also be doing a 50/50 split and raffling off a year of tuition!

There will be three bounce houses, one with an obstacle course! Wristbands can be purchased for \$10 to play all day!

We will have rock painting, face painting, games and other activities for the kids after the dance show! We will have lawn games set up so the adults can play too! We are right next to the playground and beach, fun all day!

Bring lawn chairs for you and your family!

Can't wait for this event! It's going to be a great time! Let me know if there are any questions!
