## Welcome To Our 2015 Newsletters

### Cost-Effective Facades for Businesses...

Here is an interesting application for Signs Professionals. Propose to your clients who want to revamp their storefronts or entire buildings a cost-effective solution:

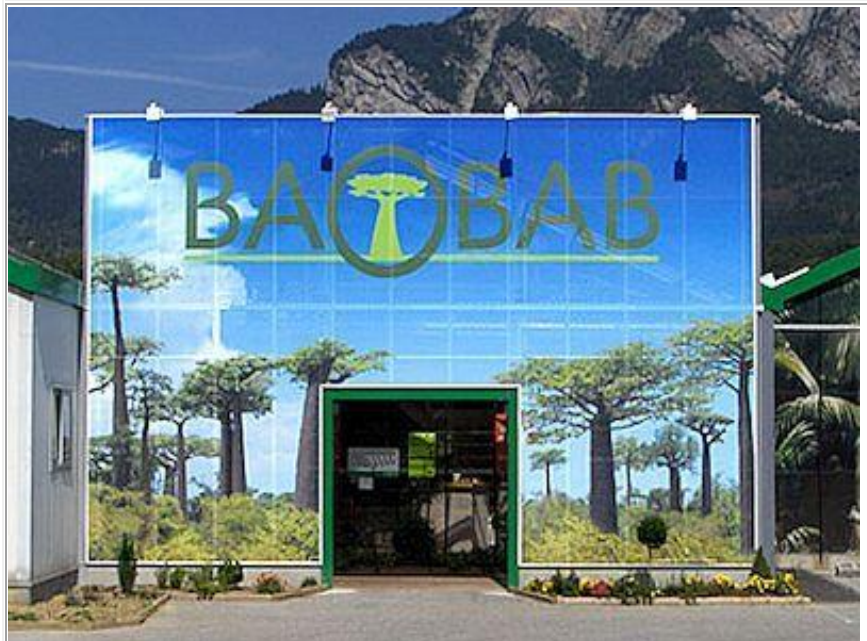

Redoing their entire storefronts with colors and marketing messages to attracting more customers, at a minimal cost.

Business targets are:

- Retail Shops
- Car dealers
- Malls
- Commercial and industrial buildings...

The design and flexibility of our product line of extrusions give you the possibility to offer a complete solutions for revamping businesses storefronts, facades, exterior walls, of commercial and industrial buildings with the same simplicity than installing frames and stretching banners... Thanks to our unique features allowing to get a perfect stretch even when the frame is not a rectangle. You easily can propose a solution with facades having doors and windows in your propositions.

### Storefronts

Printed mesh vinyl on TS44 frame  
What a great look for a nursery!

All our aluminum and PVC extrusions are 100% recyclable.

Our entire aluminum and PVC extrusion product line is designed and manufactured in the USA.  
How does it work?  
Have a look to our video...

Inventiveness is welcome!

Draw attention with a fresh graphic! Peacock theme is optional

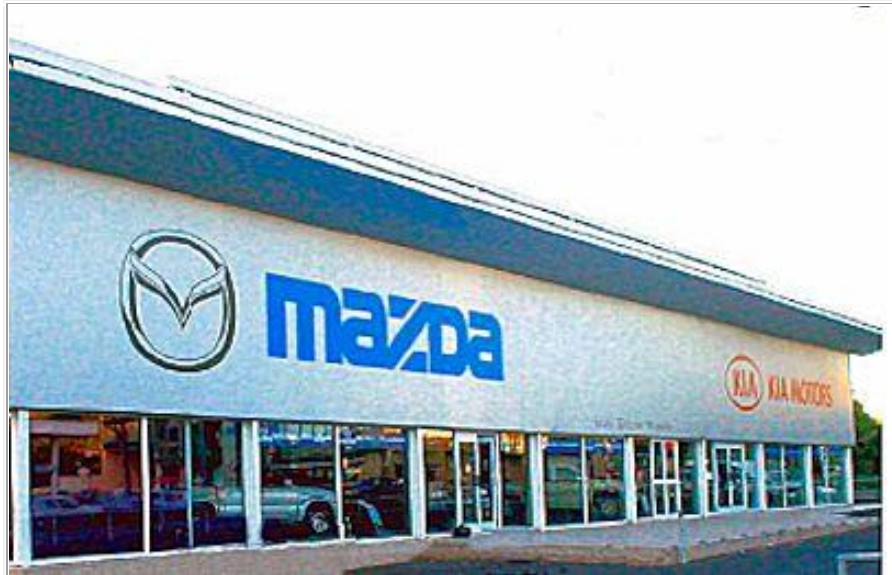

## Buildings

Give some pep to this old dealership place

Curved frame? No problem

Large banner above shop-windows giving a new look to a beaten façade

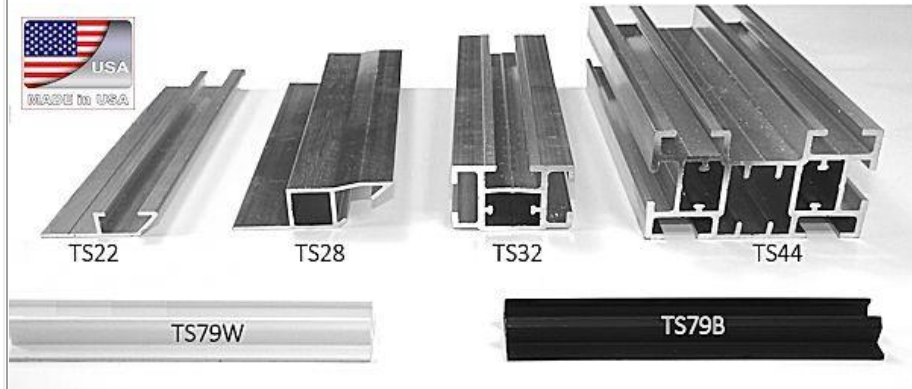

Warehouse side covered with vinyl. Looks brand new to me...

Example of a building entrance fabricated with our TS44 extrusion

NO welding necessary!
