

JEFFERSON TOWNSHIP

2017 RESIDENTIAL LEAF COLLECTION PROGRAM

2017 Leaf Collection Schedule

Schedule is flexible and may vary depending on weather and timing of leaf drop.

	Zone 1	Zone 2	Zone 3	Zone 4
Collection 1	Week of Oct. 30 th	Week of Oct. 30 th	Week of Nov. 6 th	Week of Nov. 6 th
Collection 2	Week of Nov. 13 th	Week of Nov. 20 th	Week of Nov. 27 th	Week of Dec. 4 th

All Jefferson residential properties located on a public street are scheduled for two collections during the leaf drop season. There are a few things to remember to help make the collection process run smoothly:

- Place only leaves in the leaf piles. Other forms of yard waste such as rocks, pieces of cement, tree branches, twigs, flowers, walnuts, and grass clippings are not acceptable and slow the collection process and damage Township equipment. If the leaf pile contains the above, it will not be picked up.
- Crews will not be able to pick up/ remove leaves that are located within 10 feet of a parked vehicle or trailer. This is to prevent potential damage to the vehicle
- If there are leaves that are not picked up, it is because crews could not reach them with the equipment. Residents will need to move the leaves closer to the street so the crew can collect the leaves on the next pass.
- Have leaves ready for collection on the Sunday preceding the scheduled date of collection in your zone as per the collection schedule.

Leaf Collection Tips

Follow these tips to help leaf collection go smoothly.

- Leaf piles should be placed as close to the curb as possible (without obstructing traffic). Township vehicles cannot leave the street, so if the equipment can't reach the leaves we can't pick them up on rural roadways. Leaves are to be placed at the entrance of the driveway and the road where curbs do not exist.
- Property owners without curbs may pile their leaves as close to the street as possible, but should never be placed in the street.
- Leaves should not be piled behind parked vehicles, near storm drains, or around telephone poles, sign posts, or mailboxes.

Jefferson Township

Leaf collection & Roadside repairs begins Oct. 30th

The Public Works Department is preparing for a busy fall and winter season. Leaf collection and various roadside repairs begin on October 30, 2017. Crews will visit each street and road in the Township twice this season during the months of November and December. The Township has been divided into 4 Zones and a schedule is now available that shows when crews will be visiting each street or road.

Residents who have questions may contact the Administrative Offices at (937) 262-3591, weekdays from 9:00 a.m. to 1:00 p.m. Details for the leaf program are posted on the Township website www.jeffersontwp.org and on the Legal Board in the lobby of the Township Administration Building.
