We ask that each child have an adult or responsible person in attendance in case of emergency.

During practices children will be given short lessons, this year's theme is "The Armor of God". Each week they will be given a Memory Verse, please help them learn these verses as they will have an opportunity to repeat them at the following practice.

We will cancel practices/games if there is a Level 2 or 3 Snow Condition. We will use a call system (in process at this time) for cancellations, like us on Facebook for updates www.facebook.com/tumcgteam. In case of a game cancellation proceed to the next game on the schedule, there will be no make up games.
