As we start this new Awana year we have Bible study material to help us grow in our daily walk with God. With the Bible study come requirements to earn the year end awards. The requirements are that you complete your Bible study each week and say the memory verse each week and to complete one year of the three year plan of the New Testament Bible reading in the back of the Bible study book. In order for a leader to initial, you need to have read the book, completed the summary and recited the key verse.

This year you will also have the opportunity to earn a pop of your choice by completing your daily Bible study at home before you come to Trek and saying your memory verse each week. You will need to show us when you come to Trek that you have filled out your Bible study and after you say the verse in your small group time you may receive your pop.

Then to finish off the evening you have a time of games. This completes a fun evening of studying and playing together.

Please remember to bring your Bible and your Trek Bible Study with you each week.

We are looking forward to a great year with you as we take this Trek together.

Your Leaders are:
