

Field & Stream Club Non Hunting Use of Firearms

1. Members only,
2. A member may have guests. That member is responsible for any mishaps and damage accruing. The guest must sign a waiver. (Waivers are located behind the club house bar or download at fnsclub.com, under club info.)
3. Clean up all refuse and cartridge cases when shooting is complete.
4. The use of a firearm is not approved if other members are present and not accounted for.
5. A member may use a firearm if other members are located, communication has been made and they are located at different areas of the club.
6. If work is being done at the club, but members are not seen. The use of a firearm is prohibited.
7. If any firearm use is done at 100 yards across any driveway. A temporary barrier should be used block that driveway.
8. Any damage should be reported to a club officer.
