Dear Friends and Supporters:

The AMERICA Division (US Naval Sea Cadets/Navy League Cadets) is a nonprofit youth organization dedicated to the growth and development of youth in the Greater Richmond area, by instilling in them patriotism, leadership, discipline, honor, pride, and courage. Cadets develop these qualities through a military and maritime oriented training program with emphasis on leadership skills, accountability, and team work.

AMERICA Division serves over 50 youth ages 11 – 17. As an affiliated organization, the AMERICA Division is the primary youth program of the Navy League of the United States, which is recognized by the Internal Revenue Service as a 501(c)3 tax-exempt nonprofit.

We hope this upcoming year; beginning in August, will be an extremely memorable experience for all cadets. Cadets will have the opportunity to experience hands-on training, community outreach, team-building exercises, and leadership building retreats. The sea cadet experience is something that each cadet can look back on as one the greatest and most memorable experiences of their lives!

In addition to monthly drills, each cadet is afforded the opportunity to participate in summer advancement trainings, to include: medical, aviation/flight school, leadership, legal studies, culinary arts, and recruit training ("boot camp"). We also participate in the International Sea Cadet Association and its Exchange Program, sending cadets all over the world. Each cadet is also proud to serve the community through honor guard services, laying wreaths, color guard presentations, and home-coming parades, as well as other service events such as charity runs and benefits.

We have a significant number of teens participating in our program who come from financially challenged households. Our goal is to never deny a youth the opportunity to become a future leader, and to allow all of them full participation in this program. Currently, 90% of all funding for cadet uniforms, travel, supplies, food, and activities are the responsibility of the parent.

As we grow our division, we are reaching out to partners - such as you - for support. We gratefully acknowledge our partners' role in improving the quality of our program. We appreciate your help in providing the resources for us to improve what we do for young men and women in the Richmond area.

We ask that you consider becoming a sponsor and make a contribution to the AMERICA Division Fund. Your contribution will have a direct influence in developing productive citizens and building future leaders who are disciplined decision makers with positive character traits. Thank you for your time and consideration.

Sincerely,
