

KIDS ZONE Kids Enter Escape Room

The KIDS ZONE kids succeeded in escaping from the escape room at a recent KIDS ZONE lesson. Teacher, Julie Jeffries' lesson for April 29 was about 3 disciples; Judas (not Iscariot), Thomas, and Simon. She used a unique way in conveying the lives, beliefs, and who were these disciples to the children by means of an escape room. Clues were provided on all 3 disciples and the children had to come up with their names. It took a little while but eventually the children provided all 3 names.
