Message from the President

In July, I was thrilled to play in the SDCWGA Championship and spend time with some of our members. We got a chance to enjoy summer days on the golf course and celebrate a new SDCWGA Champion - Nanette Seman from Pala Mesa Resort!! Congratulations, Nanette! Also, congratulations to Jesse Smith from Coto De Caza Golf Club, the Runner-up. Both she and Nanette played great golf!

Nanette's golf history is highlighted in our Member Spotlight in this issue. Enjoy!

I was thrilled to see all the Team players who were at the Championship to receive their awards and celebrate their accomplishments with their team members. Bobbi Sawtelle, our Media Director, took some great pictures and they are posted on the [SDCWGA website](http://www.sdcwga.net). Please take a moment to enjoy them.

A list of all the Championship flight winners is on pages 4-5 below.

SDCWGA members have not had the opportunity to play in a SDCWGA tournament at San Vicente in several years. The deadline to sign up is coming up quickly. It is a great course and a special chance to enjoy a fun day of golf with your foursome. There are no events scheduled for October; however, the 4-Ball Championship is scheduled on November 7th and 14th at the Crosby and St. Mark. Please select your partner now and be ready to enter when sign-up opens on October 3rd.

We are so fortunate to spend our summer days in a special place - San Diego County! And watch for the sign-up dates on the [SDCWGA Calendar of Events](#)!!

MEMBER SPOTLIGHT

Nanette Seman **2022 SDCWGA Champion**

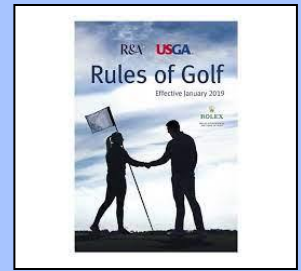

Our 2022 SDCWGA Champion Golfer of the year is Nanette Seman. She laughed after the completion of the championship because she said her game was a tale of two nines. The first nine was good golf, going out at even par. The inward nine started with a double bogey on hole #10 and a quadruple bogey on the par 3, hole #12. After the round, one of her playing partners asked, "How did you remain so calm and cool after those two balls in the water quadruple". She laughed and said, "Oh trust me I was fuming inside".

Those of us who truly know Nanette understand her passion about her golf game and ability to go with the flow, realizing golf is only a game. She plays less than most people realize (about two rounds a month) and rarely practices. She has a beautiful and effortless swing taught by her late dad while growing up in the cold winter months of Great Falls, Montana. She played competitive golf in her twenties and worked in the golf industry for several years. For about 20 years, she simply stopped playing ... then picked up her sticks again about 12 years ago. We are glad she did. Congratulations!

Please share any interesting member highlights (hole-in-ones, eagles, other accomplishments) for yourself or other members to be spotlighted in County Capers. Send info to Bobbi Sawtelle, bobbi.sawtelle@gmail.com

UNUSUAL SITUATIONS IN A PENALTY AREA

Recently we have covered how to take relief from **Yellow** and **Red** Penalty Areas (County Capers April & July 2022). This month we explore some unusual situations encountered in Penalty Areas.

1. When a ball is in a No Play Zone in a Penalty Area the ball cannot be played as it lies and relief must be taken as discussed previously. This situation arises frequently at The Vineyard and other area courses where No Play Zones are Environmental Areas marked by **red** stakes with **green** tips.
2. A player does not get relief from an Immovable Object if the Object is in a Penalty Area.
 - a. An example of this might be a bridge crossing a stream that is a Penalty Area. If the player's ball lands on the bridge there is no free relief. The ball may be played as it lies or relief may be taken in the usual ways. This situation may arise at Rancho Bernardo Inn and other area courses.
3. When a Dangerous Animal condition interferes with the play of the ball in a Penalty Area the player may:
 - a. Take Free Relief in the Penalty Area (no closer to the hole)
or
 - b. Take Penalty Relief outside the Penalty Area for ONE penalty stroke
