June 28, 2018

Dear Valued Business Partner:

The Summerville Mayor's Committee for the Employment of People with Disabilities is holding our 20th annual "Swinging for Success" Golf Tournament on Friday, October 19th at Pine Forest Country Club in Summerville, SC. All of the proceeds from this fundraiser go toward scholarships for local students and adults with disabilities to go to college. Last year, we were able to give \$10,000 in scholarships to local individuals to further their education in the post-secondary setting from the money raised from this golf tournament.

There are several sponsorship opportunities available:

- \$425 Gold Golf Team (4-person team) and hole sponsor
- \$300 Silver Golf Team (4-person team)
- \$150 Hole Sponsor
- Raffle Prizes

I have attached a copy of our registration flyer that includes information about the tournament. This year we have added an online payment option via PayPal at our website, www.summervillemayorscommittee.com. We would greatly appreciate any support you could give our Committee for the tournament.

I would be happy to serve as the contact person and can be reached at (843) 810-5852. Please let me know if you have any questions. We look forward to hearing from you soon.

Yours very truly,

Kelly G. Sieling
Summerville Mayor's Committee
