

# Open Roads ABATE Seeks Benches

Motorcycle Awareness Month was May but it is the belief that every month drivers and riders should be aware of other vehicles/motorcycles on the roads. Open Roads ABATE chapter rode to several stops in their Summer Book and discovered park benches that display several awareness phrases. The local chapter will be looking into getting benches such as the one pictured for display in local communities.

The bench pictured is in Polo, IL, and also in Savanna, IL. Open Roads ABATE chapter members pictured are Cliff Oleson, Cherie Mauer, Henry Herbst (ALR member), Sam Mataya, Bob Mauer, Bruce Littlebrant, Mitch Busch, Bill Kolb, Shane Mataya, and Fred Chaffer.
