Monthly Payment Guidelines for Preschool and Class Participants

Tuition payments are due by the 20th of each month to reserve your "spot" in your class. The tuition cost is \$95 per month. This rate can be discounted to \$75 per month should you elect the equal monthly payment plan for the months of September through May. The discounted rate that you may pay is based on an average of 4 classes per month. Some months may have 3 classes in a month, most months will have 4, and some months may have 5 classes. The overall average of classes per month during the 9 months of the season is around 4; and this is the basis of the monthly cost. This process is efficient; and it results in this lower discounted tuition cost for each class participant.

Things to note about the monthly tuition payments.

1. SPiRiT accepts personal checks, cash or Master Card, Visa, Discover and American Express for tuition payments. There is a \$5 non swipe fee if you pay by credit card over the phone.
2. Payment for your class must be made by the **20th of each month** so we can schedule coaches and gymnasts for your class. In many cases, there may be a waiting list for each class. A student on the waiting list will be assigned to your position in class if you have not made your payment by the 20th of each month. NOTE: We attempt to provide notices on the website, by email and by sign posted in the gym to remind you about the upcoming payment due. In addition, we provide monthly resign up cards to remind our members of payments due. Sometimes, these cards contain messages about invitations to move to the next level. It is very important that you notify SPiRiT of your correct email and let us know immediately of any changes that you may make to your email address.
3. **Payments by check** may be placed in the tuition payment box on the wall inside the front door if you would like to save time and avoid the lines. When paying by check, you will get a receipt by the next meeting of your class.
4. **Payments by cash or credit card must be made at the front desk on or before the 20th of the month.**
5. There is a \$35.00 **Returned Check Fee** for the first occurrence of a returned check. The fee is \$50 if the same check is returned twice. At that point, all payments must be paid by charge or cash.
6. Should you withdraw for a period of one month or more and return to the program within the Registration Year, you may pick up your class (providing there is room in your class) and continue at the Non discounted tuition rate of \$95 per month.
7. The Discounted monthly tuition rate is \$75 per month (an annual savings of nearly \$180.00).
8. The Non discounted tuition rate is \$95 per month should you opt out of the 9 consecutive month discounted program.
9. The \$35 Registration fee is good from 9/1/2017 until 8/31/2018. Your Registration Fee and monthly Tuition Fee must be paid before we put you on the Class Roster.

THERE IS NO REFUND OF THE REGISTRATION FEE AFTER YOU REGISTER

Since the session is for one calendar month; there is no refund after the first of each month.

You may make up no more than one class per month within the same month.

There is no financial credit for missed classes that you do not attend or do not make up!

We hope that you enjoy your gymnastics experience at the SPiRiT Gymnastics Training Center.
