## Children's Christmas Program

Due to the pandemic, we were not able to have our annual Children's Christmas Party. Instead, we had a Gift Distribution day on December 12th.

We added an additional twelve schools for a total of thirty-eight (over 300 students).

Thank you to all the NXCG members, family, and community volunteers who assisted with the shopping and the gift distribution. Over half the families attended to pick up gifts, see Santa, and enjoy entertainment from four GISD high school groups.
