Curriculum Level 1

3 half-day sessions focused on groundwork that correlates to saddle work. For those humans new to this style of horsemanship and/or green/troubled horses that need additional groundwork. Mounted work will not be our main focus, and generally won't happen until day 3

\$200

Curriculum Level 2

3 half-day sessions starting with a groundwork refresher that correlates to saddle work and then progressing through foundational exercises designed to build suppleness and softness within the horse/rider team. Pre-requisites are some instruction in the basics of groundwork and foundational mounted work within the teachings of the Dorrance/Hunt/Brannaman legacy

\$200

Curriculum Level 3

3 half-day sessions all mounted work that focuses on increasing the softness and suppleness of your horse/rider partnership. Lateral work will be extensive along with developing collection. Additional areas of focus will be lass rope work (including logging), moving your horse into the hackamore and riding with invisible aids. Previous instruction in the legacy of Dorrance/Hunt/Brannaman required.
