Attention Business Owners:

It's our 20th Anniversary!!!!

Dayton Blessing of the BikesSM to be held at:

Kil-Kare Raceway, 1166 Dayton-Xenia Rd., Xenia, Ohio on May 17th, 2020

The annual Dayton Blessing of the BikesSM event provides an opportunity for all motorcycle riders to have their bikes blessed for a safe riding season. It provides camaraderie and friendship between motorcycle enthusiasts to promote a positive image of motorcycling to the community.

Our proceeds are directed to AMBUCS/GRENEBUCS, a **501-3 charity #91-190435590** (tax exemption form upon request) that provides specially-designed trykes for children and adults with mobility needs.

We are now offering an opportunity for our supporters to display your business logo and website link on our Sponsor webpage starting when your Gold Level donation of \$50.00 is made, until August 31, 2020.

Send your digital logo and web link to: **OhioBlessingOfTheBikes@gmail.com**. Send your completed application and payment via USPS to: **Blessing of the Bikes, 349 Grange Hall Rd, Beavercreek, Ohio 45430**. Your logo and link will be posted on **www.blessingofthebikesSWohio.com** after your paid application has been received. For more information, please contact us at 937-232-0663.

Thank You for your support!
