

Registration Form and How to Register

Early registration is suggested. Classes normally fill quickly and Class Enrollment is limited to allow for maximum student to instructor ratios. Generally, the Retreat is over 70% filled by the mid August.

Program costs: are identified on the registration form and includes 3 days room and board. In addition to room and board, **there is a class instructional fee (\$20) and there will be a Project Blank Fee.** (Click here to see [2016 Instructor Directory and Carving Sessions for Instructor and Project Blank Charges](#)). These fees are paid directly to the instructor.

Local people not wanting to sleep over at URI or those desiring to get local motel accommodations, or stay in their RV will pay less - see the registration form for actual discounts.

Registrations are accepted on a "first come first served" basis, using the post marked date on your registration form. Generally, the instructor/class program is firmed up and registration forms available by April 1st. If you want to be notified as soon as the registration forms are available for next year or receive program change info for this year, sign up for the group newsletter by entering your email address in the yellow box at top left of this page. If you change email addresses just come back here and enter your new address again.

Refund Policy: Full refund if we are notified by September 1, 2016

If you are unable to print the registration form, please write the information on the registration form on a piece of paper and mail it in with your check.
