Salute to the Flag:

Public Participation:

As Discussed:

- Daniel Miller-Concerns of excessive speeding, drag racing and ATV activity along Colonial Drive and Noels Creek Road. Mr. Miller just recently experienced an accident involving his parked vehicle and personal residence, as described in the September Police Report.
- Discussions with the township supervisors as to how traffic can be slowed down at all times and the blind curve that exist on this area of roadway. Office Sweet arrived at the meeting and became involved the discussion.
- Mr. Miller offered the Cresson Township Police a place to park to observe traffic.
- If a STOP sign was installed for speeding, a traffic study would need to be performed.
- If a STOP sign was installed for site distance safety, no traffic study would be required, adverting requirements would need to be fulfilled and ordinances/resolutions would need to be updated.
- Lines to be painted on the road in hopes of slowing down traffic, and the ENRAD system to be utilized.
- Cresson Township Police and Washington Township Roadmaster to meet and measure the roadway and site distances on Colonial and Noels Creek Road.

Police Report:

- Officer Sweet presented the monthly Police Report to the supervisors, 11 calls were answered throughout the township in September.

October 3rd, 2012

- Office computer system for Cresson Township Police is currently not working, letters to delinquent sanitation customers will be sent as soon as system repaired.
