From the President's Desk:

The big thing this month is our annual election. At the July 21st membership meeting we will be electing the officers and 4 new directors who will guide the club over the next year. We will also be asking the membership to approve a minor change to our constitution, which better defines our mission as a NON-PROFIT 501 (3)(c) organization. This amendment has already been approved by the national executive board for our insertion, should it pass. The only contests are for president and a director, however, you can write in any one you wish for any position. Nominees and the amendment are below.

President	Howard Thompson	Director: (Vote for only 4)
	Don Robertson	
1st Vice	Kevin Myers	Board 1 Gary Swope
2nd Vice	Lou Levy	Board 2 Dave Williams
Secretary	Bill Stone	Board 3 Robert Tumberlinson
Treasurer	Bob Nelson	Board 4 Phil Baker
Asst Treasurer	Lee Hankey	Board 5 John Ziegler
State Director	Dan Blair	
Coresponding Secretary	Lisa Fuhrman	

The amendment the board wishes to add is:

Article II Objects:

E: Further, IWLA York Chapter No. 67 is organized exclusively for charitable, educational, and scientific purposes under section 501 (c)(3) of the internal revenue code, or corresponding section of any future federal tax code.

Our FunShoots have morphed into a falling steel type shoot. They are designed for almost any shooter, from the novice to the experienced multigunner. Primary guns are pistols and pistol caliber carbines. Yes, .22's are allowed! This is a casual, freeform shoot requiring little movement, timers or scoring. Our primary mission is to provide a venue to introduce yourself, your friends and kids to shooting. We are very family friendly!

22 RIMFIRE

We incorporate different shooting positions and props in order to make a challenging course of fire that requires efficiently getting into position and engaging targets anywhere from 5-200 yards within 30-90 seconds

JUNIORS

Hi Juniors!

Juniors meetings are now open. Third Tuesday of the month at 7pm. June the kids did archery. Not sure what I have planned for the rest of the summer. Right now all I am planning are the meetings. We most likely are still doing our annual Limestone Springs fishing in September. Keep an eye on the newsletter for upcoming details.

Thanks, *Sarah Chenowith*

Our next Egg Shoot is scheduled for September 6th. These are a 22lr only shooting sport that is not terribly complicated, but still challenging. The targets are typically 40 steel targets shaped like eggs and the size of an actual chicken egg. We shoot them in banks of 10 eggs at 10, 15, 20 and 25 yards with rifles, and/or 7,9,11, and 13 yards with pistols. There is no real time limit, but they are shot standing with no support, and you may only use one round per egg. No experience is necessary, but pre-registration is required.

TROUT COMMITTEE

Sunday June 7th, 7 1/2 out of the 38 folks on the "I'm interested to help out" mailing list showed up to drain/clean the raceway, filter boxes and screens (hat tip to the guy who showed up and gave us the half hour of honest effort he had that morning). We put in about 5 hours and failed to complete the mission. The raceway is open, and all fish are out. The screens were pulled and rinsed down. We then struggled with the sluiceway door that was supposed to cut off the water to the system. We found a design flaw and work finally stopped. We were all very tired and getting grumpy.

We will be regrouping on July 26th, 9 am, when we will pull the dam and modify the door system. The facility still needs more repair, and this will be assessed then.

By then Bob Nelson and Jerry Lauer will be leading the group. Cindy and I are standing down. With the help of a great crew, we spent the last two years rescuing this program, besieged with poorly maintained facilities and a bad reputation. Without the incredible record keeping of past trout Czar Duane Kornbaugh, the task would have been overwhelming. We learned more about raising trout than we ever imagined and worked with some wonderful club members, PAFB staff and renewed friendships with local co-ops.

Unfortunately, the issues we had this spring with the public just wiped us out, and it is not fun anymore. We will maintain an advisory role until Bob and Jerry are comfortable with the behind the scenes part of this program. Please, get involved. This is a worthy project and can be a lot of fun!

Thanks for all you do.
Gary and Cindy

MEMBERSHIP COMMITTEE

Hello from Membership!

I also want to make everyone aware that while we cannot renew our memberships online, there are several things you can do to help me out. If you go to the National website, www.iwla.org, there is a tab titled Member Center. When you click on it, there are links where you can update your address, your phone number or add your email. The York Chapter does not currently share your email address with Nationals, so if that is something you are interested in, please update the information with them. Please also drop Gary or me a note on email changes, because we do use them at the Chapter level. You can also request a replacement card if you lost yours and request a copy of a magazine if yours did not arrive.

And one last note, please contact me if you know a member who has passed so we are able to keep our membership correct.
