## **Citrus County Foster Parent Association**

Citrus County Foster Parent Association is a 501(c)(3) nonprofit organization who is devoted to making a difference in the lives of foster children in our community. We provide support, school supplies, Christmas toys and experiences that will stay with the child for a lifetime. For the Foster homes we help with emergency needs like helping obtain things such as cribs, beds, clothes, etc. for children that get placed unexpectedly in their home. Many of our foster homes are over capacity due to the lack of homes and open beds in our community.

We open our membership to all foster parents, kinship guardians, Grandparents raising their grandkids and adoptive families as a support group for each other. our number one goal is the children.

The Citrus County Foster Association can only accomplish our mission through donations and support from people like you.

We meet on a monthly basis as a support group for families and work

together on fundraiser events for family Members to participate

in. Money raised helps foster Children with Christmas gifts, fieldtrips to places like Disney, The Zoo and aquariums.

Our net-work of families are also a wonderful resource for help in obtaining Cribs, & clothing, etc. That maybe needed when children 1st come Into care or with 1st time Foster families.

Come join our association and together we can change the lives of our children
