

OBRA Presidential Appointments

OBRA is an Amateur Radio Club with broad interests, but the focus is on local emergency preparedness. As such, the President of the Corporation may appoint temporary chairs for various activities. The following list are positions that have been used in the past as an aid for future Presidents and for an idea of additional activities that may occur within the corporation:

1. **Training appointee**- lead tech classes, typically over several weeks followed by an exam session at the end.
2. **Exam appointee** - provides a quarterly exam opportunity for residents interested in taking an ARRL VEC administered exam
3. **Technical appointee** - provides opportunities for members to learn and/or practice radio-related technological advances
- 4.
