Justice

Fines

Justice a basic human need.

Justice is essential for a community to function and survive. Justice has to establish Truth and rectify 'Injustice'. Justice starts with YOU! You need to be 'Just'. Being Just is the foundation from which Justice rises up. Being Just and receiving Justice is ideal. Reality is that there are unjust people who create In Justice.

Each individual has a moral, civil duty to remove Injustice.

Currently fines are discriminative unjust not fair! This is to change. C.G. offer fair just non discriminative solution. It is to be applied, now!

Fines are part of the rehabilitation for breaches of law. Rehabilitation is to treat everyone equal. Currently this is not happening.

Corrupt fines rehabilitation!

Person (A) is fined 300 ! 'A' weekly income is 300 (low income).
Person (B) is fined 300 ! 'B' weekly income is 2000 (high income)
Person (C) is fined 300 ! 'C' weekly income is 100,000 (wealthy)

Person A is a tenant with no savings is slightly behind in paying bills. To pay the fine their will be no rent paid, no food bought, no bills paid, no petrol bought. Person A relies heavily on friends and family to survive the week.
Person A decides not to pay hasn't got the money. Legal costs will be added. Doesn't pay no money. Does prison time! A is now a criminal with a record. A is tarnished for life.

Person B is a professional in a 2 income family that is paying of a home has gym and club membership an accountant that minimizes tax. Passes on the fine to the accountant. Should B decide to pay the fine B will probably miss out on a night at the theater. The following week B will charge clients 300 more.

Person C is a parasitic predatory profiteer, wealthy, with highly paid (300 an hour) legal advisors. C tells his legal advisors to have the fine withdrawn. The legal team tells the sheriff that their client will fight the fine to the highest court in the land. The Sheriff doesn't have the resources for this fight. The Sheriff withdraws the fine. No record.

Corruption Injustice Wealth apartheid

Good News. Custodian Guardian have a solution.

Fines don't use a set monetary value. Instead a set % is used: **10**%.

C.G. Fines solution. Fair Just
Person A fine: **30** ; Person B fine **200** ; Person C fine **10,000**.

Sheriff set's fine. Doesn't collect it. Treasury collects fine. Enforces collection with Marshall's assistance.

Wealth apartheid the main cause of accidents, addiction, climate change, droughts, pandemic, garbage, homeless, hunger, pollution, thirst, violence.

Hereditary, political and wealth (Estate) tyranny are creators of wealth apartheid. Via estate they pass on position, power, wealth. Creating an elite of unearned undeserved position, power, wealth. This behavior is cause and effect of Wealth Apartheid. Estate of position, power, wealth, Ends.
