BBQ Cook-off Best Over All Guidelines

During the Awards Announcements on Saturday, May 25, 2024 at 5:45 pm, the top 10 places for these categories will be called: Chicken, Pork Spare Ribs, Pork Butt and Brisket. **The only way to win the Best Over All Category is by competing in all 4 meat categories.**

Each of the 10 places will receive points based on their place, and the points will be calculated to determine the Best Over All Winner. The Best Over All Winner will win a cash prize.

Points will be awarded as shown in the chart below.

In order to award the Best Over All Category, each team announced should come forward to claim their place and points in the Best Over All calculation. Officials will check the signature on winning tickets to award the points to the correct team.

Tickets are signed at container pickup to designate the Chief Cook name. In the event that a team enters multiple entries per category, they will be assigned a Team Name #1, Team Name #2, etc. Each team should determine the entry they want turned in with their different Team # tickets. Officials will be able to determine the team that receives the correct number of points based on the signature and team name on the ticket.

In the event that a tie occurs, the determining factor will be which team places highest in the Brisket category. For example, if Team A and Team B tied for Best Over All, the Officials will review Team placement for Brisket. If Team A placed 3rd in Brisket and Team B placed 8th in brisket, the Best Over All would be awarded to Team A.

ALL DECISIONS of the COMMITTEE CHAIRMAN and JUDGES are FINAL.

7th place	4 point
