GREEN THINKERZ™ INSTITUTIONAL CHAPTER

Brief Introduction to Green ThinkerZ™

Green ThinkerZ™ is a registered Society working towards Sustainable Development Goals (SDGs) also known as Global Goals. Same is adopted by all United Nations Member States in 2015 as a universal call to action to end poverty, protect the planet and ensure that all people enjoy peace and prosperity by 2030. In this connection, Green ThinkerZ is working in the field of Social and Environmental Sustainability to create awareness around the globe by promoting Green Technologies and other Renewable Energy Resources with a dream to create technologically advanced and Eco-friendly world. The Society is working in different domains like E-Waste Management, Electromagnetic Pollution, Energy Optimization and Carbon Credits under Environmental Sustainability Projects whereas working in the field of Girl Child Empowerment, Mass Plantation Drives, Humanity towards underprivileged, compassion towards various senior citizens, etc. under Social Sustainability Projects.

About Green ThinkerZ™ Chapter

An Institution can be identified for GREEN THINKERZ™ INSTITUTIONAL CHAPTER owing to your able leadership and continuous endeavors made in the domain of Social & Environmental Sustainability. It will open numerous avenues for the Students and Faculty Members of the Institution in terms of developing a Research Culture in the Domain of Social and Environmental Sustainability, Green Technologies, E-Waste Management, Energy Optimization, Gadget Addiction etc. through various Awareness Events, Seminars, Workshops and Research Conferences. The Chapter will allow the Students and Faculty Members to contribute their bit for the Sustainable Development Goals (SDGs) in association with Green ThinkerZ™ Society in an organized way.
