NWS Declared Value Information Sheet

This form must be filled out if you are declaring your shipment for \$300 or more, or if you are declaring more than 12 bottles that are being shipped. This will help to ensure we have the proper declared value on each of the boxes that are shipped. The dollar amount listed on this sheet will be calculated and billed \$2.00 per \$100.00. **If you DO NOT want to insure your items leave the Unit Cost column blank.**
