

I WILL BE TRUE TO THEE

$\text{♩} = 90$

I will be true to thee, Though I share in thy worst des-pair, I will be true to
I will be true to thee Though I roam in a far off land, Whether on earth or

thee, Though my own heart be bowed with care. Though cold ne-glect
sea, In a bow-er or des-ert strand, Though dark-est clouds

on thy hopes may fall, Though fears of death hov-er near thy soul, Though
mar the morn-ing beams, And va-pors dull set-tle on the streams, Though

fu-neral knells on thine ears may toll, Yet I will be true to thee,
blight-ing Time troy thy fond-est dreams, Yet

I will be true to thee I will be true to thee.

I will be true to thee; I will pray for thee night and day; Wilt thou be true to

me, As in years that have rolled a-way? When all thy child-dearest hopes have fled And

gloom-y vis-ling-er 'round thy head, When all thy dear early friends are dead, Then

I will be true to thee. I will be true to thee I will be true to thee.
