The LaSalle congregation has been encouraging and financially supporting the mission work in Zambia for many years. A check in the amount of \$900 was recently sent from several LaSalle individuals who contribute to the Zambia Mission. The funds are targeted toward assisting in the care of infants and orphans at the Namwianga Mission. If you would like to help support the Zambian Mission, please put funds in the offering plate marked for Zambia. More information may be found at www.zambiamission.org
