Mr. Kevin Willet,

I am writing to you to thank you for the wonderful classes that were given by your organization last week here in Claremont.

I was privileged to be able to host the classes for my department and they were very well received by all in attendance.

Leslie and Andrew were very dynamic and well versed in their knowledge of dispatching and gave wonderful visual aids to compliment the training. I wish there had been more classes!

On a personal note, I would like to thank your organization and the instructors for their concern regarding one of our dispatchers that passed away. They were very compassionate and it was so very much appreciated.

Thank you again for everything and I hope our agency will be able to host more training classes in the future.

Sincerely,

Libby Wendt
Communications Officer II
