

Kyle came into Rd 1 confident from 2 wins in the Arizona Series. On this day Kyle would be facing former Pro-Buggy Champion and National top 3 contender, Mike Valentine.

Kyle drove an excellent race, he dived with Valentine and Blythe for the top spot. During the mandatory caution, Kyle was able to take the lead, even after losing his brakes. After a few laps he fell back to a comfortable 3rd place and was dealt another setback with a flat tire. Nothing keeps Kyle down, he still managed to pull off a 4th place finish despite all the setbacks, He knows he can run up front with the national series racers. Kyle is hungry for that #1 spot and knows he has the speed to get there along with his great sponsors.
