

MUGS 2020 SPRING

SPRING SEASON 2020

Coaches:

Enclosed in this notebook are you Tournament & League Rules, a list of MUGS Board Members and a Schedule of Events and important dates. This notebook is considered part of your team equipment issued to you by MUGS. Please return the notebook at the end of the season with the rest of your equipment. Your season schedule will be given to you by your Division Coordinator.

Before your first practice you must:

- ✓ Hold a team meeting with your parents and players. Please go over the MUGS policies, rules, all stars, etc.
- ✓ Recruit your manager, chaperone, scorekeeper and fundraising representative. A list of duties for each of these is enclosed.
- ✓ Please review the spectator code of conduct and disciplinary action. Please be sure all parents and players understand the MUGS policies.

Prior to each game, you should fill out a line up card. One copy is for the umpire, one for the opposing coach, and one for recording your all-star votes for the opposing team. **You must turn in All-Star votes after each game.**

Thank you for choosing to dedicate your time and support to MUGS, your daughter, and the girls who love the game of softball. Your decision to Coach is an important one, and you have the power to teach, lead, and be a mentor to impressionable young ladies who hopefully will continue to play softball for a very long time. Please contact your Coordinator, or a Board Member with any questions you may have during the season.

We hope you have a wonderful season!

COACHING RESPONSIBILITIES

- If you can not control your words and actions during a game, you shouldn't be leading children. If you do not have self-discipline to hold you tongue, that should tip you off that this is not the spot for you.
- If a player on your team starts to swear or make derogatory comments or cheers, you can take her aside and explain gently but firmly than, "This is my team and when you're on my team, I don't allow anybody to talk that way." Take time to remind youngsters that using profanity or derogatory comments or cheers is always poor sportsmanship – and that umpires are trained not to let those kinds of words be used in a game. If the player doesn't cooperate, simply remove her from the game.
- If one of the team parents on the sidelines makes a spectacle of himself/herself with foul language or derogatory comments or cheers, then you have every right (and responsibility) to ask him/her to tone it down or stop. You have a much better chance at getting a cooperative response than does an umpire or league official.
- If the opposing coach, players or parents are at fault, you best bet is to complain to the umpire or league official.
- All Coaches will need to have their ACE Certification, Background Check and SAFE SPORT. Please go to registerusasoftball.com to obtain that. The ACE Certification and background check badge will need to be displayed at all times while in contact with the players.
- All Coaches, Assistants, or Dugout Mom, or anyone that will be working with the players will need to have a background check. Go to registerusasoftball.com to get your background check. These will need to be displayed at all times while in contact with the players.

MUGS All-Stars Nomination Procedures

All Star coaches will be selected, and approved by the Board of Directors of MUGS, and notified by the Division Coordinator. Coaches interested in being an All Star Coach should give the Division Coordinator prior notification (see form in Coach's Book), so as to be considered for that position by season's end.

In order for each Player to be eligible for an All Star Selection, they must receive a minimum of 5 votes for the Spring Fastpitch Softball season. There will be a 12 game schedule. A player does not have to play in all 12 games to be eligible, but they must garner at least 5 All Star votes during the season.

Each coach at the end of each game will be required to make their votes and turn them in to the appropriate box located by the concession stand, or to their Division Coordinator or Player Representative. If any coach is unsure of where to turn in their votes, they need to find their Division Coordinator or Player Representative. Remember, All Star voting is privileged information and should not be divulged to anyone.

- Each coach will be voting for the players on the opposing team.
- At least 3, but no more than 5 players must be selected from each team after each game.
- Only one set of votes may be turned in per team for each game.
- Please include first name and last name and if possible the players number.
- Also provide the Division number, team number, and date of game.

If a coach does not turn in an All Star vote list after each game for the opposing team, then the votes his players received from the opposing coach will be denied. When that list is turned in and made current, then his players' votes will be reinstated. Please do not take longer than the next scheduled game date. This is to institute fairness to all players, and give everyone an honest chance at being selected as an All Star. It will be up to the Division Coordinators and the Player Representatives to maintain a log of all votes.

At the end of the season, the appointed All-Star Coach(es) will have those nominated players to choose from. No player, without the minimum five (5) votes will be eligible for the All Star Selection. Each All Star coach will select twelve (12) players for his or her roster. There will be no alternates selected until it has been determined that a player already selected, cannot meet the commitment to be an All Star Representative. Every league team in each division should have at least one (1) All Star Representative. No more than FIVE (5) players from any one (1) league team can be selected for All Stars. A maximum of THREE players from the same league team can be selected to the same All-Star team.

The only instance where there may be other players selected, is if there are not enough players to fill the roster. Then the players with the most votes will become eligible. The five (5) vote minimum can be lowered to four (4) or three (3) votes by the coordinator when necessary due to a lack of players or votes. The appointed Board Members will select those players for consideration in the capacity of Division Coordinator and the Player Representative for that

division. It is recommended that it require both the Division Coordinator and Player Representative be present, so as not to have the possibility of any unfairness. If that is not possible, then at least two (2) Board Members should be present.

All-Star Selection Guidelines

The Executive Board with guidance from the Division Coordinator and Player Representative will determine which Head Coach selects first, second, and third (if applicable) in the draft. The player selection process is as follows:

1. Head Coach's daughter will be designated as the number three (3) pick on the roster.*
2. Assistant Coach's daughter (if applicable) will be designated as the number four (4) pick on the roster.*
3. Head Coach # 1 will then select two (2) players followed by Head Coach # 2 and then Head Coach # 3 (if applicable).
4. Picks five (5) through (10) will then be selected with Head Coach # 1 picking first followed by Head Coach # 2, then Head Coach # 3 (if applicable).
5. Picks 11 and 12 are scrutinized closely by the Division Coordinator, Player Representative, and Head Coaches to insure that at least one player from each league team is represented.

(* If the Head Coach and/or Assistant Coach do not have a daughter, that team will have first pick in rounds 3 and/or 4.)

DIVISION 8U (MACHINE PITCH) COACHES CAUTION - SAFETY FIRST – CAUTION

JUGS PITCHING MACHINES MUST BE USED ONLY UNDER THE SUPERVISION OF PERSONS INSTRUCTED IN THE PROPER USE OF THE MACHINES

- 1) Do not allow children to operate the pitching machines.
- 2) Have batter stand clear while at least one (1) ball is thrown when the pitching machine is first set up at the beginning of practice or after any change (speed, curve, or trajectory), to make sure the ball is thrown at the desired target.
- 3) Do not permit more than one (1) or two (2) persons around the pitching machine during operation.
- 4) Do not permit the pitching machine to fall on its wheel. This could result in non-warranty damage.
- 5) Check tightness of all bolts and nuts at regular intervals. If any looseness, vibration, or rattle is noticed, correct immediately before further use.
- 6) Always turn both dials fully counter-clockwise when throwing is completed, or temporarily stopped, and turn toggle switch to OFF position.
- 7) Keep tire pressure at 16 -17 pounds.

An extension cord of #16 gauge is best. Use heavy three-wire cord. If you use more than 150 feet of extension cord, there will be a slight drop in power, and the dial setting will have to be turned up to compensate.

FEEDING INSTRUCTIONS

The following feeding instructions should be used to insure accurate and efficient operation of the JUGS pitching machine.

- 1) Hold the ball the same way every time.
- 2) Hold the ball high in the air where the batter can see the ball. Then bring the ball down to the chute simulating live action so that the batter can time the call correctly. The whole feeding operation should be smooth and without interruption.
- 3) **VERY IMPORTANT** -The most important point is that before you place the ball in the feeding chute, you should look up at the batter and make absolutely sure the batter is watching you, and is ready to receive the pitch. It is extremely important that you make sure that the immediate area in front of the pitching machine and all the way to your target is clear before you feed the pitching machine.
- 4) Watch the ball in to the wheel, then look up at the batter.

CAUTION!!!

BATTING HELMETS MUST BE WORN AT ALL TIMES

**DO NOT THROW HIGH HOPPING GROUNDERS WITH THE JUGS

CLARENCE HILL MEMORIAL SPORTSMANSHIP AWARD (ALL DIVISIONS – RECREATIONAL LEAGUE ONLY)

Coaches:

Please read the following information to your players at the BEGINNING of the season:

This award is given each year to one girl from each team. It is given in memory of Mr. Clarence Hill, who was very active in MUGS several years ago, and was one of our biggest supporters until his death.

The girls on each team vote for this award. They choose the girl on their team who should receive it. The guidelines for this award are as follows:

The girl chosen for this award is not necessarily the best player on the team. She is not always your "best friend" on the team. The girl chosen should be the one with the best attitude towards the game, her teammates, and herself. She is the one who doesn't make fun of the girls who make mistakes, is a good sport, and always does what the Coach asks her to do without complaining. **She has a good time playing softball.**

The Division Coordinator will contact the Coach of each team. The Division Coordinator conducts the voting for this award.
