OCNA is your neighborhood association. We are your neighbors down the street and around the corner who are getting involved in our community and strengthening ties to one another.

By sharing information and working together, we can make our great neighborhood even better. Our boundaries are Mission Avenue to the North, Oceanside Blvd to the South, I-5 to the East and the Pacific Ocean to the West. Learn how to join in at our website www.OCNA101.org

MEET THE CANDIDATES FORUM

Both Mayor and Treasurer Candidates

Please join us for an informative meeting to listen to and ask written questions of our candidates running for Mayor and Treasurer (positions representing citywide vs district). Our moderator is Skip Coomber, a local business owner.

At this event, no other national or international issues or materials (tshirts, hats, banners, signs, posters, etc) will be permitted to ensure the focus is on the Oceanside candidates and Oceanside issues. Come early for a seat!

SEASIDE PARKING PERMIT PROGRESS:

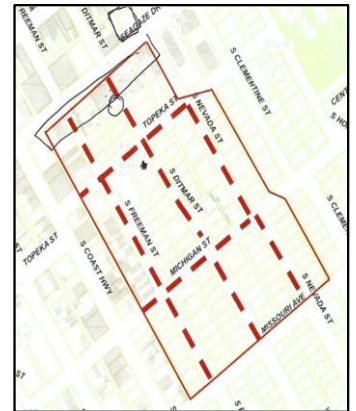

The Casitas Neighborhood permit parking petition is submitted with the city and under audit.

Borders are Seagaze to Missouri, Freeman to Nevada Streets.

If approved, overnight parking will be reserved for residents (see map).

This is a much needed solution to prepare for the onslaught of new high rises downtown.

Stay tuned for more information!

DID YOU KNOW....

the OCNA Board works all through the summer for you?

We meet with City officials and developers to express the concerns of our neighbors on traffic, parking, safety, homelessness, and balanced growth.

Recently, the Board, with paid membership approval, voted to support continuing Measure X - ½ cent sales tax everyone has been paying since 2019.

This applies to both residents & tourists.

YES on Measure X

Our neighborhoods have and will receive numerous benefits:

- Additional EMT's to decrease response time for citizens in need.
- **Neighborhood patrols of our streets & alleys by Gatekeepers Security service.**
- Additional Crime Suppression personnel and cameras in key areas.
- **Youth programming for crime and gang diversion opportunities.**
- Additional Homeless Outreach Team (HOT) staff including a social worker.
- **An additional \$1 Million for fixing our roads, faster than would be budgeted.**
- A new fire station downtown that will accommodate taller ladder trucks.
- **New traffic calming measures in our neighborhood; stop signs & red curbs.**
- South strand rehabilitation study and repairs to the on-going ocean erosion.
- **Beaches & beach parks improvements**
- El Corazon park Site 1 and Buccaneer Park improvements.
- **Funding the pier base rehabilitation required due to its nearly 100 yr age.**

RE-BEACH EFFORTS THIS SUMMER:

The City's Coastal Management conducted a beach update and survey on the proposed "speed bumps" location along the south of the Pier Strand. This workshop was conducted electronically to allow more people to participate. The location survey result is expected to be released early fall. Support groups have also been successful in getting on-going City funding for beach sand and habitat maintenance!

REMEMBERING OUR FRIEND AND NEIGHBOR:

A final salute to Lisa Hamilton, a long time OCNA Board member and community activist that helped to shape and improve our Seaside neighborhood in so many ways! Lisa passed away this summer, but her contributions over the years, both personally and professionally will be forever felt in our community.
