

The Dante Society of British Columbia

for the promotion of the Italian language and culture

DA ITALIAN LANGUAGE
& CULTURE
SOCIETÀ DANTE ALIGHIERI

Better known as "La Dante", the newly-established **Dante Society of British Columbia** is one of the 400 Committees located outside of Italy, throughout the world. The Society's objective is to run a program of talks, musical events, courses in Italian language and more informal gatherings on Italian culture that members, friends and students are most welcome to attend. La Dante is also the organizer of the **Plida tests** to certify knowledge of Italian.

The Society, which is based in Vancouver, is not subsidized by the Italian government and relies on membership fees and donations for its operations. We therefore encourage you to become a member or to renew your membership for 2016. Your membership helps maintain our website and the upkeep of all general administrative costs, including the publication of our newsletter, purchase of books for our library and the organization of cultural events and activities, many of which are free of charge for our members.
