Being still the first part of the new year we haven't yet put together a plan for the entire year but each meeting will be planned to address a certain subject of interest. Being an election year we will be specifically bringing in candidates who are running for public office in our area and around the state so that we all can get to know them and find out their stand on the issues of concern to all of us.

Friday, January 19, 2018

Senator Mike Morrell Senate District 23 will be our honored guest and speaker. Senate District 23 includes the northern part of Murrieta and extends north into the high desert including Phelan and Wrightwood.

Being a successful small business man Senator Morrell knows first hand the burden and hindrance that government can be to businesses of any size.
