

* **ECOCRAFT**

CRAFT

GUARANTEED 100% NATURAL COTTON

Delicate and soft

- ✓ 100% plant fiber
- ✓ Antibacterial function
- ✓ OEKO-TEX infant level standard

ECO CRAFT

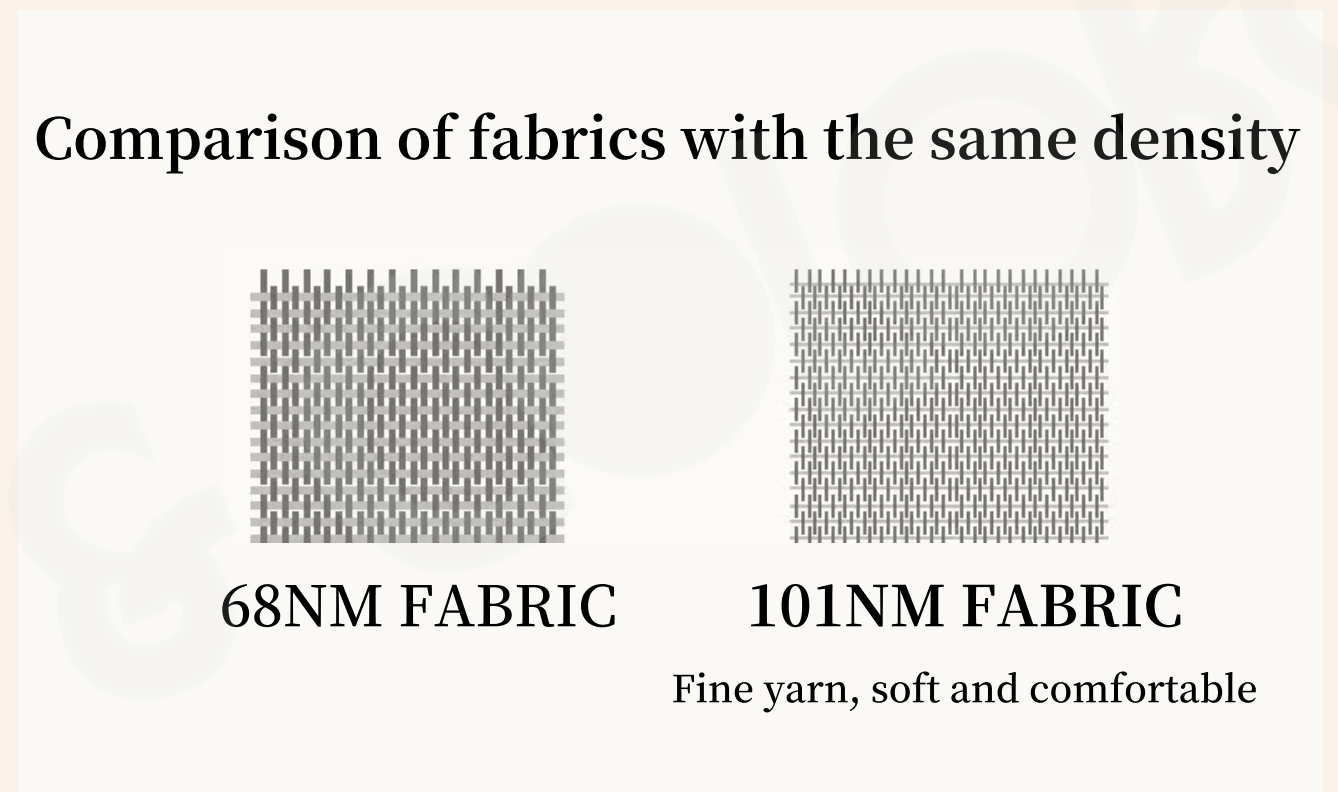

Super long fiber

Why Choose **101**NM Cotton Yarn?

The higher the count of the yarn, the thinner the yarn, the thinner the woven fabric, and the fabric is relatively soft and comfortable.

PRODUCT TAG

ECO X SKIN-FRIENDLY

100% GREEN AND NATURAL

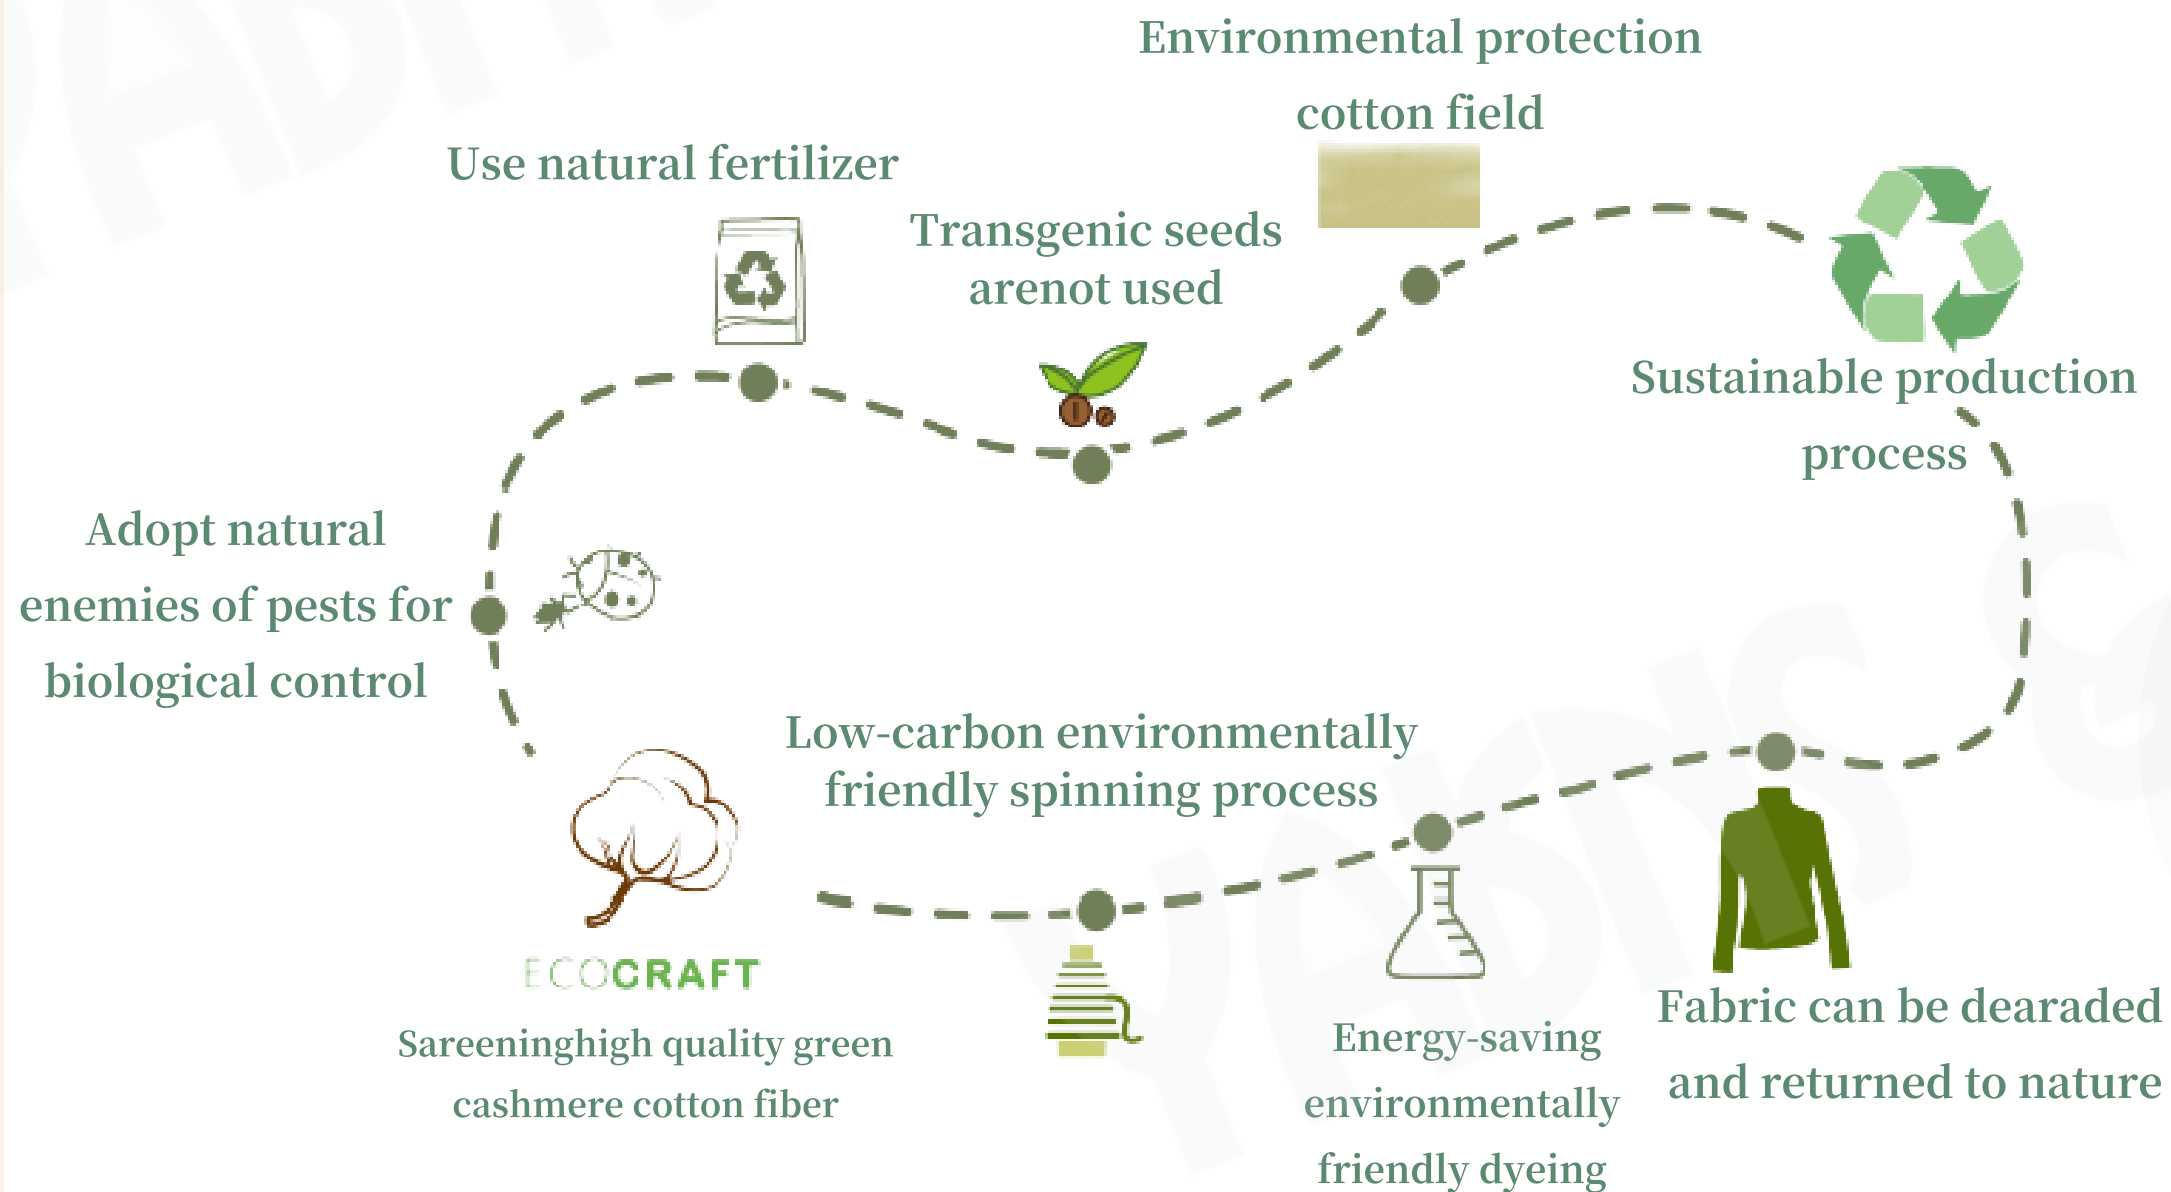

Pure natural non-transgenic seeds have the characteristics of green ecology and environmental protection

No chemical pesticides. protects farmers and cores for skin health

Reduces soil erosion by 26%, and reduces water consumption by 91% during planting

CRAFT uses environmental protection and Class A, natural cotton. It can be degraded in original ecology and can effectively reduce pollution. The unique porous structure of fiber is conducive to water vapor circulation. This makes it refreshing, breathable, and comfortable to wear. It feels soft and fine, and does not easily shrink or deform.

*Refers to OEKO-TEX Class I infant standard

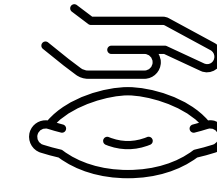

FEEL SOFT, REDEFINE COMFORT

Natural

Using high-quality green velvet cotton as raw material, large cotton, full and long velvet, high cost

Comparable to cashmere as soft and waxy, but also has good natural elasticity

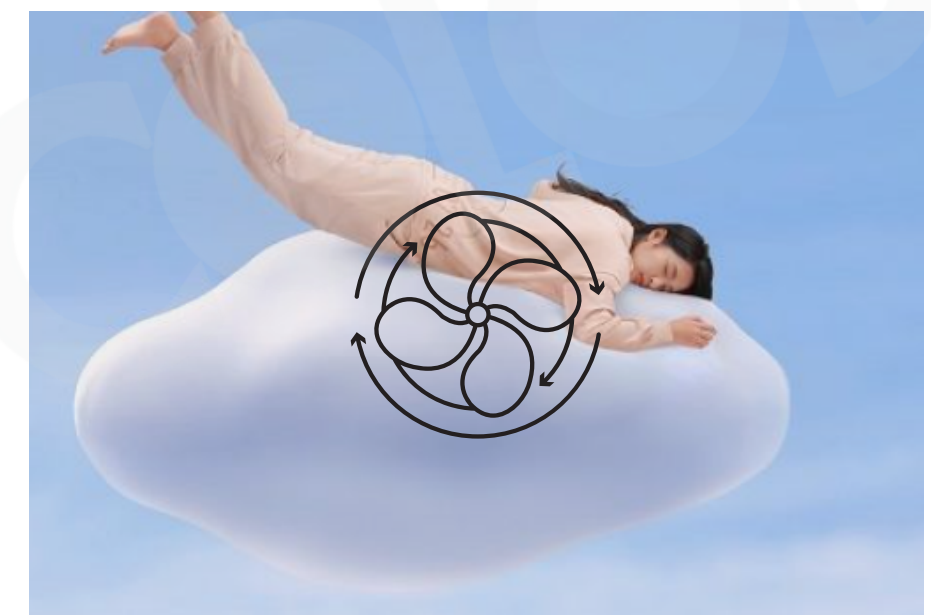

Skin friendly

Moisture-absorbing, breathable and non-sticky, dry, skin-friendly and zero-touch, like stepping on clouds

DELICATE, GENTLE AND FLEXIBLE

CRAFT VS ordinary cotton

- 2 times the length of ordinary cotton fibers in the market
- 8 times high elasticity

0 burden can be machine washed + no ironing, so that the clothes are better taken care of

01

Wash frequently,
healthier

Machine washable, hands-free, not easy to deform after repeated washing, drape slimming, anti-wrinkle, durable and easy to take care of.

02

Delicate and
advanced

The carefully cleaned cotton fiber has less impurities and is as pleasing to the eye as clouds, and the woven fabric has no neps, so that the appearance of the garment is high-grade and delicate, the texture is clear, smooth and smooth, and it has good pilling resistance.

03

Versatility

The fiber is multifunctional, suitable for more occasions, healthier, more comfortable, and more secure.

intertek
Total Quality. Assured.
