

# Laser Etched Brass & Stainless Steel Plates & Tags

**No Set-Up  
CHARGES**

Brimar will be happy to size your nameplate. To size a nameplate we need to know character size and a list showing what is to be printed.

Call for pricing on custom sizes, and larger quantities.

Price for nameplates is based on two lines of text.

## LASER ETCHED METAL NAMEPLATES

### Laser Etched Stainless Steel Pricing

Part #	Size (w x h)	Holes	1 - 9	10 - 24	25 +

To Order Laser Etched Nameplates: Specify Part Number, Quantity and Copy to printed.

Please provide nameplate or valve tag list in either a Microsoft Excel or Word file for accuracy.

## Laser Etched Stainless Steel & Brass Valve Tags

- Laser etched S.S. and Brass tags should be selected for more complex alpha or numerical tagging requirements. Unlike stamped tags which are fixed stamps, the type on laser etched tags is digitally produced.
- Choose from 2 standard sizes and 2 materials
- Pricing is based on two lines of text.

To Order Laser Etched Tags: Specify Part Number, Quantity and Copy to printed.

## LASER ETCHED METAL VALVE TAGS
