

Birch Lane PARP 2019

"CHILL OUT With A Good Book"

Over the next few weeks, Birch Lane students will be participating in the Pick a Reading Partner (PARP) program. The PARP program encourages adults to spend time reading with their children. Just 15 minutes a day will help build vocabulary, improve comprehension and allow your children to expand their imaginations.

The PARP program will begin on Monday, January 21, 2019. The theme for this year's program is "CHILL OUT With A Good Book." In the main lobby we will have our bulletin board decorated with snowmen and snowflakes. The students will be able to see how many minutes each class has read. Every week the minutes will be tallied and the top classes and students will be announced.

Here's what you need to know to participate:

1. Sign the reader contract and return it to school as soon as possible.
2. Log the amount of minutes your child has **read with a partner**. Logs need to be handed in on the following Fridays, 1/25/19, 2/1/19 and 2/8/19.
3. Be sure to hand in your logs on these Fridays, as the minutes will be tallied over the weekend.
4. Any questions, e-mail Juliana at [BirchLanePARP@gmail.com](mailto: BirchLanePARP@gmail.com).
