**President's Message:**

Greetings Everyone,

Hope you are all well, and feeling fine.

They say April showers bring May flowers. With that said, we should have flowers every where. Instead we have lakes where the crops should be. There will be late planting this year, with the fear that we will not receive rain when we need it. Mosquitoes and ticks should be plentiful this year.

Saturday, May 4th, will be the VVA and AVVA Indiana State Meeting here in our building. This will be the last meeting before the Region 5 Conference that we will have in June in the Marriott East. If you wish to attend this meeting you must fill out the form located else where in this news letter, along with \$10.00 for each application. Get yours in now, as they will need a head count for the meetings, and banquet.

Mother's Day is May 12th. Most of us have lost our mothers, some of us our wives. We can remember those who have passed, and honor our girl friends, daughters, sisters, and neighbors.

Saturday May 18th, is Armed Forces Day, when we honor those presently serving, along with those who have served. This was started in August 31st, 1949 by Louis Johnson, Secretary of Defense.

Thursday May 23rd 10am, will be the send off for Rolling Thunders Last Ride To The Wall. Our Governor along with the Mayor of Lawrence, have been invited. Bikes will fill the parking lot, and we can park across the street.

May 27th, Memorial Day Observed. It is a time to pause, remember, and honor all who have given their lives in defense of America. Be they in uniform or not. Service Members or civilians. They fought and died so that we may be free, and live in peace. Remember their families as well, as they are grieving the loss of loved ones. Most people today look at this as a three days off work to drink, party, watch or listen to the 500 mile race. Do NOT DRINK AND DRIVE, use a designated driver, and buckle up. The life you save may be your own.

We are having guest speakers from the community come in to enlighten us as to what is happening around us, and how we can get involved. Plus our own members have been telling us of their military experiences.

Remember our Chapter Meeting on May 8th, hopefully there will not be any snow or ice, plus the days are staying light longer each day. So come see some old friends, and make some new ones.

Remember our Chapter is only as good, as you make it.

Pray for the safety of our troops, and their families.

May GOD bless America, our troops, and you.

In Patriotism,

Larry L. Shaw

**Roudebush VA Medical Center** is needing volunteer drivers. Veterans Transportation Service provides Veterans a ride to their medical center or outlying clinic. This is a great way to help Veterans. To volunteer, visit or call Volunteer Services, 317-988-2734 or call driver Pat Parrish, 317-632-4263 (he's a VVA member). Most recently members Bob Parsons and Mark Fix have become volunteers Thank you Pat, Bob and Mark.

**HVAF needs volunteers.** Volunteers help sort and stock donations that come to HVAF. They provide essential services to Veterans to help promote them towards self-sufficiency. Volunteers also beautify housing properties by raking leaves, painting and landscaping. Call 317-951-0688 or email hvaf@hvaf.org

## Vice President's Corner

Brothers and Sisters,

Well, Spring has finally arrived and with it summer activities and commemorations. Memorial Day, the day that is set aside to honor our fallen brothers and sisters is but a month away. Unfortunately, it has become a day that, to many, is more synonymous with auto races, picnics and family parties than honoring the fallen. Let us do our part to honor those who have paid the supreme price for our freedom by attending and participating in Memorial Day ceremonies honoring veterans. Crown Hill Cemetery always has a very moving program which is well worth attending.

Hopefully many of you have registered for the VVA Regional Conference which will be held in Indianapolis in June. With many highly knowledgeable presenters, Regional Conferences are excellent places to acquire important Veteran's information and have your questions answered. It was at a regional conference, years ago, that I was able to acquire the information to successfully complete and attain my VA Disability rating. It is also a great place to make new and rekindle old friendships. Plan to attend if you can.

As I mentioned last month, the very future of the VVA will soon be determined, perhaps as soon as the VVA National Convention in Spokane this summer. Last month's VVA Veteran went into detail about several possible scenarios regarding our future. This is YOUR VVA, so please let the convention delegates know how you wish them to vote. We are, by the very nature and structure of our organization obligated to vote in accordance with your wishes...so please make them known.

Last month's VVA member/guest speaker was, to me at least, very interesting and informative and I am looking forward to future presentations. Please see Fred Bishop if you would like to participate. No matter what you did in Vietnam, a description of your duties and experiences will, I guarantee, be of interest to your fellow chapter members.

Lastly, when you meet a fellow Vet, invite them to visit and perhaps join the chapter. It amazes me how many Vietnam or Vietnam Era vets don't even know we exist. Let's extend to them the welcome that we didn't receive many years ago. And, when you meet a vet from a more recent era....Thank them for their service! Remember our motto:

“ Never Again Will One Generation of Veterans Abandon Another”

Hope to see you all at the May meeting.

Bob Parsons, Vice President, VVA 295

## Food for Thought

Are you an active member, the kind that would be missed?  
 Or are you just contented that your name is on the list?

Do you attend meetings and mingle with the flock?  
 Or do you meet in private and criticize and knock?

Do you take an active part to help the work along?  
 Or are you satisfied to be the kind who just belongs?

Do you work in committees—to this there is no trick.  
 Or leave the work to just a few—and talk about the clique?

Please go to meetings often and help with hand and heart.  
 Don't just be a member, but take an active part.

Think this over, members—you know what's right from wrong.  
 Are you an active member—or do you just belong?

## The Wall that Heals

### Greenfield, Indiana

July 11-14, 2019

We will be helping to sponsor this event and taking part in it. It should be a well attended program since the primary sponsor has TV ads running now on Channel 8 and they have planned a parade upon the Wall's arrival to be led by the "Indiana Patriot Guard" motorcycle group.

To help ensure its success, we need many volunteers from our chapter to help out. Review the job options and time spots available online at <http://signup.com/go/wRzTDfz> or you may phone Nick directly at 317-462-5536. Those who sign up first get their choice of time and jobs. A training class will be held on Wed, July 10 at the site below to explain specific duties. All volunteers will receive a t-shirt with sponsors listed.

We will be the only group permitted to setup a booth at the wall for signing up new members. Please consider helping with it as well.

Location: Pasco-Stillinger Funeral Chapel  
1780 W. Main St.  
Greenfield, IN

**151st ANNUAL MEMORIAL DAY CEREMONY**—May 27 at **2:00-3:00 p.m.** - Crown Hill presents the longest-running Memorial Day Ceremony in Indiana! This year marks the 151st annual ceremony, first held on May 30, 1868, shortly after General John A. Logan, Commander-in-Chief of the Grand Army of the Republic, established this day to honor the soldiers and sailors who died during the Civil War. With nearly 10,000 people in attendance, our first ceremony was held on the grounds of the Crown Hill National Cemetery, located behind the historic Gothic Chapel. Our first ceremony featured many speeches, including from by Gov. Conrad Baker, a veteran and former commander of an Indiana Infantry Regiment. The graves of the soldiers in the National Cemetery were decorated with fresh-cut flowers.

- We welcome **Brigadier General J. Stewart Goodwin (Ret.) USAF**, as our keynote speaker (pictured). General Goodwin is the Executive Director of the Indiana War Memorials Commission in Indianapolis, which includes a museum and 25 acres of parks, monuments, sculptures, statues, and fountains. Other guests include **Rodney Strong**, Department Commander for the Indiana American Legion, and **Abraham Lincoln**, the Civil War President, reciting the Gettysburg Address during the ceremony. **(Please come early and visit with President Lincoln inside the Gothic Chapel from 12:15-1:15 p.m. Pres. Lincoln is portrayed by Danny Russel.)** - We welcome back the support of the men and women of the **Indiana Army National Guard** as they join us again as they have for many years. In addition to the band concert by the 38th Division Band at 1:30 p.m., a Howitzer 21-gun salute will be conducted by the Indiana Army National Guard. Patriotic music provided by throughout the ceremony by "**The Central Sound**," a Lawrence Central High School choir. Folding chairs will be available or feel free to bring your own chair or blanket. Cookies and bottled water will also be available, as well as indoor restrooms. You're welcome to arrive early or stay late to picnic. (The funeral home and cemetery office closes at 5 p.m. but the gates will remain open until 8:00 p.m.)
