Dan's Cans. A lot of you have been supporting Dan's Cans – thanks you - but in case you haven't heard, Dan is a young man with a disability. Despite his disability he is working. Dan collects aluminum cans, crushes them and takes them to the recycling center turning them in for cash. OIF supports Dan with a collection bin for aluminum cans. You may have seen the “garbage” can with a can size hole in the top setting halfway up our ramp to the apartment/handicap entrance. You can help Dan by putting your aluminum cans in Dan's collection barrel. More about Dan and his picture at <http://danscans.net/> Please support Dan's Cans.
