Mother's Day Tea

Thanks to Mrs. Lipartiti for hosting her annual Mother's Day tea for JK/SK moms.

Heritage Fair 2019

Congratulations to our grade 5/6 class for producing some exceptional heritage fair presentations this year, and winning four distinct honours at the North Bay fair: the multicultural award; the historical thinking award; the arts/history award; and the judges' award, which earns a trip to the provincial fair!

Thanks to Dr. David Leeson from Laurentian University's history department for helping to judge our SCA heritage fair.

Extendicare York Visit

Our grade 5/6 class also walked to Extendicare York to spend quality time with the seniors in residence. It was great fun and a wonderful opportunity to bless, honour, and learn from our elders. See photos on the next page >>

Gala Dinner 2019

Our ninth annual gala dinner and new raffle-style auction were a huge success this year, exceeding our fundraising goal of \$10 000!

Thanks to everyone who attended and/or contributed, including our prestige donors: Manitoulin Transport, Dr. Timothy Richards Dentistry, and the Visser-Matusch family. Thanks to our PTA volunteers for their service!

See page 3 of this newsletter for fun photo booth memories!

Welcome, Pastor Brad Hale!

Welcome to the new chair of the Sudbury Christian Schools (SCS), Inc. board, Pastor Brad Hale!

Pastor Brad serves in several other ministries, including as director of the Elgin Street Mission, and pastor at New Life Christian Centre.

Are you interested in setting the vision for Christian Education in Sudbury? Consider serving on the board of SCS, Inc.

Contact Pastor Brad (705-822-1546) to nominate someone for the board.

Gaga Ball Comes to SCA!

One of our grade 2 students approached Mr. Morse in the fall with a vision for a new major piece of playground equipment for the school — a gaga ball pit! With the help of his mom and grandfather, he collected thousands of empty cans for recycling, and approached local businesses to solicit contributions. This spring, his vision was realized, and the whole school is grateful.

In the Summer Edition:
