## WORKSHEET: GIVEN CIRCUMSTANCES ATTRIBUTE WEB

### Instructions

The attribute web is designed to help you gather clues the author provides about a character— emotionally, morally, physically, his/her traits, and feelings. Fill in the blanks with words or phrases— using exact quotes from the text. You may not be able to fill in all the blanks. Use additional paper if needed. Identify the most significant traits first and what they reveal. You can share your hunt for the circumstances and your questions about them with your fellow actors and the director. The circumstances build a web of details that you, the actor, can believe in.
